AUSTRALIAN CLOTHING RECYCLERS

GGFC is supporting Australian Clothing Recyclers.

Australian Clothing Recyclers specialise in the recycling of clothing, shoes, bags and other textiles.

Such efforts undertaken to implement this project will hugely benefit the under privileged, where the clothing donated would be made available to the world's developing countries, delivered to them clean, and damage free.

Please make all donations into the Australian Clothing Recyclers bin, at the entrance of the GGFC room.

Under 7 Green

Our Green Kookies travelled to Gepps Cross this morning in cool conditions, with a big breeze blowing right to left on the ground, with heavy rain the forecast.

We were up against it with many players missing – Wyatt, Jacob Day, Mason Easter and Mason Maynard all unavailable and it was only 10 minutes into the match when the heavy rain came in.

This didn't seem to slow us down to much, however, and our kids went to work. Hayden Baker probably had his best match for the club, constantly getting hard balls and big kicks, and being even more damaging when filling in for the opposition. Today also saw the first game of a new Kookaburra, Jaxon joining our team, and nicely slotted his first goal for the club.

Annelise was insane today – knocking up at least 12 kicks for the day, scoring multiple times, reading the ball better than all and marking and looking for team mates regularly. Tucky, too, was damaging in getting the loose ball and transitioning to the next zone constantly. Alexander had a strong game, with plenty of kicks, and Ethan got back to his kicking form from last year with nice long shots.

Thomas had a few nice passages, scoring a nice goal and happily filled in for Gepps Cross, Chelsea got plenty of the ball and passed of a few times and Caillin was at his best with the in-and-under stuff, constantly taking what was not his and owning the contest. Brodie earns special praise for his brutal hard ball contest that he clearly won, but with a lack of vision from the umpire, caused a ball up that became a free kick to the affected opponent.

In the end, it was a case of all-played-well, with Lincoln, Thomas, Hayden and William all filling for the opposition and getting some strong passages of play for their temp team, but our Team were too strong and determined to get the ball first and show off their new skills, including free-bouncing as they run up the wing, and we handled the big wind better than our opponents to score some 10 goals for the day to about 3 for Gepps Cross.... Well done, Golden Grove Green!!!!

Under 7 Gold

Under 7 Gold had their first testing game on the weekend in cold, rainy weather. It was good to see the team work hard against a equally strong side - Modbury. The team rallied hard and came up trumps in the dying moments of the game.

Reuben Slater was the Captain for the game and he lead his team with 2 early kicks in the first quarter. Cooper Payne was a stand out this week taking 4 marks 5 kicks and scoring 1 goal 3. Cailan Rachwal also took 3 great marks in the first quarter. Brady Borgas came on in the third quarter and showed everyone how quickly a game can change. In that quarter alone he managed 7 marks and 7 big kicks into the forward line.

Declan Kells second half was very strong and his defensive skills in the last quarter kept us in the lead. It was great to see Tyler Graham be involved in the play and pick up 5 great kicks. Owen Doyle was efficient and shared the ball with many.

Well Done Under 7 Gold - a tough but good quality game!

Under 8 Blue

Round 5 saw U8 Blue return to Harpers Field to our first Fright night game. We were presented with cool but fine conditions. Numbers were again strong which again meant that we would have a couple of extra boys for rotations each quarter. Brady was our captain for the night and won the toss and chose to kick to the Southern end. As the lights took affect the boys were certainly very keen and full of enthusiasm. Unfortunately, Lochy was unable to play after injuring his ankle during the week however it was great to see him out to support the boys and assist with coaching.

The main focus areas for the game were: being accountable when defending, smart kicks and team work.

As the game commenced, Angle Vale certainly got off to a flying start winning multiple clean possessions out to the middle which caused our defenders to be kept very busy. As the quarter went on, Austyn and Brandon were able to win possession in the middle of the ground and move the ball forward. Meanwhile Sam and Harry were both able to take strong marks in defence which saved certain goals. As the first quarter concluded, the U8 Blue boys came together for a quick drink and changes to the team. The break also gave the coaching staff an opportunity to encourage the boys to concentrate on the basics to prevent Angle Vale from continuing to get easy possessions.

The second quarter commenced with Jackson and Jayden both winning possessions through strong attacks on the football to allow the ball to be moved forward. The early possessions from the midfield allowed our forward including Jacob and Kye to both to take strong marks deep in the forward area. As the quarter went on both Kye and Sam were able to kick truly to score goals. Both Brady and Cameron were unlucky to miss scoring goals from tight angles. Whilst in defence extra pressure from Blake and Callum ensured that the Angle Vale forwards had no easy shots. The half time siren sounded which gave everyone a chance to have a quick drink and enjoy an orange as well as focus on the number of efforts across the oval which saw us come right back into the game.

The tense footy battles that occurred in the first half continued as the second half commenced with Harry and Brady both particular busy in the midfield. The multiple possessions won by our midfield allowed Jamison to take a strong contested mark and then kick a goal whilst Blake was very unlucky just missing a goal after winning a loose ball. The last quarter commenced with great the desire and pressure being shown from all in the midfield. This ensured that the ball moved into our forward lines a number of times which provided Jamison and Austyn to move the ball deep into our forward line. As the quarter went on, Jackson was able to kick truly to score a goal from a long way out. Asher, Louis and Ryan were also playing great pressure football which ensured the football stayed in our forward area. As the final siren blew, we congratulated the other team for a great game and then sang the club song.

Today, we played another well experienced team and again showed despite a slow start that we were able to challenge any team. It is really pleasing to see that group continue to show improvement with each training session and game that we play.

I would again like thank all that assisted with the game, your support is truly appreciated. Next week, will see us on the road to play Ingle Farm on Sunday morning. GO BURRAS!

Under 10 Blue

This week our Under 10 Blue side ventured all the way out to the "hill" at Fitzroy. After two really strong team performances, against Salisbury and Broadview, we were right to go into this game with a bit of confidence.

The boys had done a fantastic job of following some basic team inspired instructions those previous two weeks. We were gaining some traction and winning our fair share of footy.

With the weather being a bit colder and windy today, I was worried if the boys would pull back into their shells. As such, in the pre-game address I let all the boys know that if we go out there with effort and intensity from the first bounce, we'll catch the opposition off guard. They will be the ones pulling back into their shells, not knowing what hit them.

Captains JT and Lee took us out onto the field and both wanted to lead by example. I felt our ability to impact the contest and have a bearing on the play was pretty ok for most of the first quarter. From there though, things started

to drop away. Drawing on wise words spoken on a few occasions by our great mentor Scott Smart, "the wheels fell off the bus"!

We were unable to keep in place the aspects which made our previous performances strong. Effort and work rate were down and we had no desire to pick up a loose player. We weren't the tough, hard at it, attack the ball Burras, we had shown we can be.

Today was not without its positives though. There was some outstanding moments of brilliance from Baz, with a strong tackle and moments later a nice overhead mark. Seeing Riley busting through a pack, like superman, with 4 blokes hanging off him. Richo showed us some of his signature 2nd and 3rd efforts, fighting for the ball, winning it, being tackled, then winning the footy again. Josh and Lee were trying their best to get some run through the opposition lines and break tackles.

With his Dad being on goal umpire duties, Nate was holding down the defensive goal square with aplomb, stopping guys twice his size. An area the whole team have continued to improve upon, is our kick outs from behinds. The boys are very quickly working out who will take the kick and are not fighting over it. We are kicking it long, from the end of the goal square. But most importantly (today especially), we were moving it on very quickly. It was great to see a quick, long kick, pin pointing our free player. This allowed the likes of Tom, Aussie and Brodie to each have a shot of finding space and going for a long run out of defence!

We'll get back on the training track and look forward to next weeks game at home, Friday night, under lights!

Under 10 Green

This week we played Tea Tree Gully. In previous seasons they have been a good tough team so we expected a great contest.

Prior to the game the weather hit which soaked most of the boys (much to their joy), but we were ready for a good old fashion game of football.

Within minutes of the first quarter we had kicked two goals, by halfway through the first quarter we were up to five and it hadn't got past half way.

In consultation with the opposition for the remainder of the game we had the umpire bounce the ball just short of the oppositions forward line, this gave both teams a bit more of an opportunity but didn't really slow our scoring for the game.

With a lot less pressure this week we were better able to stick to our game plan, and really impressed with our handballing and general teamwork which was commented on by the opposition coach at the end of the game.

With the boys really embracing the idea of passing and getting everyone involved, there was no better example display of team-first football than Jordan, one of our backline players, pinpointing Hayden in the forward lines with a fantastic pass.

Hayden had never kicked a goal before, but it didn't show. He went back, took his kick and slotted it through. All the boys erupted with applause and really got around him which was fantastic to see.

This game was also special for Jace's who notched up 50 games for the club, like Ryan last week who notched up his 50 games Jace didn't disappoint. Jace worked hard all game stuck plenty of hard tackles which is known for, and made a few nice taps to our rovers.

As a team we worked hard, ensured everyone got involved and displayed great teamwork.

Under 10 Gold

Under 10 Gold were at home this week against Pooraka, and it was our first game in real blustery conditions which in turn made for a real tight game.

We started off against the wind and with Matthew LeRay and James Gray starting off strong we managed to kick a couple of goals to zero in the first quarter.

The rest of the game was a real scrappy affair. Pooraka were very well drilled at tackling and getting their hands on the ball in tight. Our team enjoys the open spaces, so we had to adapt to a different playing style which took a bit of time to adjust, however adjust we did and in the end had a pretty comfortable win, restricting Pooraka to just the one goal.

Corey Edwards really stepped up this game with his first and second efforts in getting the ball and also Devlin Hussey never gave up on any contest paving the way for our team to get first hands on the ball.

I thought Thomas Glen played his best game for the season, repelling the ball back into our forward lines, making it near impossible for Pooraka to move the ball forward. Owen Jarrad also continues to be a real tough competitor week in and week out, and his ball use and clean handling is a real treat to watch.

Nathan Petrie is really improving doing a great job in ruck, presenting well up forward and kicking a great goal!

Big improvers this week came from Bailey Maddeford, Jordan Miller, Tyson Karklis and Josh Caldicott did a great job in not only stopping goals, but setting one up too!

We celebrated a pretty special milestone on the weekend too, with Matthew LeRay becoming the first of our core team members to reach the 100 game mark. He played the game with his usual consistency and his effort was certainly outstanding. He loves his footy and also loves being around the club, filling in other grades when required and also helping out the C and D Grade teams running water when he can.

Well done to the whole team for lifting the extra 10% we talk about when we have a milestone game.

Great stuff Matthew, we are all super proud of you (especially Mum and Dad!)

Under 11 Red

After an awesome mini league game at Norwood Oval on Friday night, we took on a determined TTG at Harpers Field.

Danyle Dobie and Josh Richter led the team on to the field as captain and vice-captain and unfortunately we didn't win the toss on this occasion meaning we were kicking into a strong breeze to start the quarter. The match started with Danyle Dobie and Lachlan Giles fighting hard to win the ball out of the middle and tackling hard and holding TTG at bay, but as hard as we fought it wasn't long before TTG had a goal on the board early. It was clear that we hadn't made a great start and it was clear that our manning up was letting us down, but it was Sam Rudd who hit in from the next ball up tackling a player hard winning a holding the ball decision he was very quick to get the ball forward hitting Tyson Hartmann on the chest for an excellent passage of play. TTG kick 4 goals in the first quarter.

We knew we needed to work harder in the second half and although we started to play more competitively we struggled to score and it was great to see Tom Stevens and Tyson Durdin take the game on getting the ball forward. Alex Pengilly was working hard around the ground and when the ball came down the forward line kicked an

awesome first goal to get us started. But we were still struggling to match it with TTG and when Declan Braybrook came of the interchange to give the team a lift he made an instant impact. Declan hit in hard to the contest giving us first use of the ball and the momentum of the match started to change.

It was great to see Talan Cooper stand up tall in defence when on one occasion attacked the ball so hard clashed with a TTG forward splitting the pack and clearing the ball. Finally we were now attacking the ball like we know we could. TTG kicked another 2 goals to GG - 1.

Half time came quickly and we needed to get back in the match, we knew it wasn't going to be easy as we were still kicking into a strong breeze. But the boys really did start play some good footy, Cael Gursoy, Daniel Hewitt, Marin Barlow and Rosh Richter started to find the ball regularly and our tackling started improving. It was great to see Michael Tarzia and Jackson Ray working hard and getting the ball out from the bottom of the pack in the third quarter, it was this determination that was preventing TTG from scoring and giving us shots on goal that unfortunately we didn't convert.

Kalan Weaving and Jai Arnold were some of our better performers playing accountable footy manning up tightly and beating their player outright. But although we fought very hard TTG were able to score another 2 goals. The last quarter we made a commitment that we would at least try and finish the match by winning the final quarter and it was great to see the boys hold their heads up high fighting it out to the end. Harrison Lawlor, Luke Scott and Kaya Allan continued to fight hard and with Luke getting the ball out the middle got the ball forward setting up an early goal in the last quarter. Both Harrison and Kaya tackled hard, great work boys!

It wasn't long after that Riley Sewell took a great mark, went back and slotted it through the middle. Riley really did have a great match, he ran hard all day and took strong marks all-round the ground. We did manage to win the last quarter 2 goals to TTG 1 goal, but it was all too late. I thought that the second half certainly demonstrated that we can match it with TTG, but the importance of getting good starts was critical to us winning the upcoming matches.

Final Scores

Golden Grove 3.3.21

TTG 9.5.59

Goals - Alex Pengilly 1, Lachlan Giles 1, Riley Sewell 1

Under 11 White

A big congratulations to our 50 gamer Owen Gwilt, who played his best game so far this year.

This week we were at home on Friday night against Modbury. It was a good tight contest all night. Modbury were able to hold us out in the last few minutes and get the win by a goal. A great team effort by the boys without any help from fill in players, so really good to see we can be competitive on our own, and will be stronger with the return of Sawyer Smith in a couple of weeks.

Christopher O'Malley put in a solid game after missing a couple of weeks due to injury. Zachary Pope probably needs to miss training and just play for the rest of the season, what a game, he was in everything and our best player. Daniel Chisholm and Jake Scurrall backed up from last weeks efforts and both had great games.

Our first two quarters were a bit of a struggle with Modbury beating us to the ball. The third quarter is when it all happened for us. We had strong efforts from all players and we started shepherding and protecting our teammates. A big quarter from Nicolas Tarca and Brayden Barnes rotating in the Ruck. With some great teamwork, linking up plays and winning the ball we managed to out score Modbury in this quarter. By the end of the quarter Liam Cattuzo, William Jones, Lochlan Hardie and Mitchell Callaghan were spent with the effort they had put in.

The last quarter was an arm wrestle. Consistent work by Cooper Brown, Isaac Luders, Darcy Kelly and Brody Feltrin allowed us to have much of the play, we just couldn't capitalise on the hard work.

Jai Callaghan, Caleb Davey, Daniel Cowie and Cruze Heffernan continue to show great improvement each week and all contributed to the teams performance. Jack Lavender didn't let the effects of a sore ankle hamper his efforts doing what he could to help the team.

Goal scorers were Cooper 2, Lochlan 1, Liam 1 and Isaac 1. Great team effort boys.

Under 14 White

Under 14 White has started to get their season on track with a big win over Walkerville in Round 5 last Sunday!

Playing at home with swirly conditions the boys took coach Mark Dand's advice and played a solid four quarters above their heads.

It was a hard physical game that saw a couple of our boys given hard knocks but they never let up and fought hard for every possession. It was Riley Babiak's 50th game for the club and it was pleasing to see all the boys put in a milestone effort.

Goal scorers were Jackson Close 4, Riley Babiak and Keegan Barnett with 3 and Josh Dobie with 1.

Score: Golden Grove 11.7.73 to Walkerville 4.7.31

Thinking of selling or having your investment property managed?

Your local real estate team at Raine & Horne North East are proud to be partnered with the Golden Grove Football Club as one of the major Guernsey Sponsors for the 2017 season and beyond! But we don't want our contribution to stop there, so we've committed to helping raise additional funds for the club on an ongoing basis throughout the entire year through our exclusive "cash back" deal, which provides a great range of savings to its members and a bonus to the club!

We're here to help! Not only will you be helping us to keep injecting valuable sponsorship dollars into the ongoing development of the club, but as a member and supporter of Golden Grove Football Club, you'll benefit from us too! Our professional team can help you with all aspects of your property from:

- Selling
- Buying
- Renting
- Property management
- Property advice (Market value appraisal)

Cash back EXCLUSIVE DEAL!

Simply list and sell your home with the friendly team at Raine & Horne North East or let our award winning property management team look after your investment property, and not only will you be serviced by one of Australia's leading real estate agencies, you'll also receive special discounted rates and earn \$100.00 cash back for the club when you present your current Golden Grove Football Club membership card. *Current players or parents of junior players do not need to show a membership card, but to notify the agent you are dealing with your association with the club to receive the cash back deal.

Don't have a membership card?

Contact the club and sign up for a social membership for as little as \$35.00! You'll receive discounted drinks at the bar and save hundreds or thousands of dollars on your real estate or property management transactions through us.

Want more information?

Please don't hesitate to contact the friendly staff at our North East office via email info@northeast.rh.com.au or phone (08) 8395 2233; alternatively you can email our marketing manager jayden.kirk@northeast.rh.com.au
