Under 9 Blue

Round 11 saw U9 Blue return to Harpers Field to play Walkerville. Numbers were a little stretched this week with Blake, Patrick and Jayden all unable to play and Sam was our captain for the day. After a break from normal training during the week with the focus on team building games the enthusiasm seemed high and the pre-game warmup was completed at a high level. The message to boys prior to the game was to be first to the ball and to ensure we tackle strong when required.

The game commenced in almost perfect conditions with strong crowd again out to support the boys. Walkerville were able to win the ball out of the middle and moved the ball relatively easily down to their forward lines. Great pressure from our boys in defence ensured that scoring was difficult however they were able to retain the ball in the area and have a number of shots at goal. Sam, Jamison and Austyn worked well in the middle and Jackson and Lochy were creating run from defence. Across the field we looked a little flat and seemed to be letting Walkerville win the ball with relative ease and our tackling looked to be a little off... The siren sounded to end a tough first quarter, the break certainly came at a good time.

The message at quarter time to boys was to do the simple things that we highlighted before the game and have been practicing at training... Rotations were made and the boys headed out to start the second quarter. As the quarter commenced we were able to win the ball and move it out of the middle starting off from a nice handball from Ryan. Our tackles seemed stronger as Walkerville weren't able to break them, one highlight was a great team tackle from Austyn & Sam and another from Brady & Jackson in the forward line. We seemed to be playing a lot better team footy from the first quarter, Harry was able to snap a nice goal and then Cameron was unlucky to miss what would have been a great goal. The enthusiasm and energy seemed to be high with the boys getting around each other throughout the quarter. As the quarter went on we were able to maintain control through some great team footy across the oval and finish off with a number of goals late in the quarter from Sam & Lochy. The first half came to an end with Jacob taking a nice mark deep in the forward line after a nice kick from Sam unfortunately the mark was completed just after the siren and not awarded. It was great to see the boys get around Jacob and then come together for the long break.

The halftime break gave all an opportunity to have a drink, a quick orange and highlight the number of positives from the second quarter. The third quarter commenced and it was pleasing to see the boys commence the quarter with the same intensity from the second quarter. In defence Cameron and Harry both took nice marks and were able to move the ball forward. Jackson was busy covering a lot of ground and applying some great pressure whilst Kadin and Brady were involved in a couple of nice strong tackles. In the forward lines, Austyn and Jamison ensured the ball stayed in the forward area with some great pressure whilst late in the quarter Sam was able to kick nice long goal. The siren sounded to end what was another great quarter from the boys.

The three quarter time break was an opportunity to grab a quick drink and recharge for the last quarter, the message to the boys was to ensure we played to good team footy and finish off the game. The quarter started with a good tap from Jackson to Kadin. As the quarter went it developed into an arm wrestle with both teams having opportunities to score, inaccurate kicking saw us kick a couple of points early. Down the other end of the field, Brandon saved what would have been a certain goal with a nice tackle right on the goal line. As the quarter went on we were able to move the ball with some nice movement from their defence with Harry and Cameron both involved. In the forward lines there was some great team play on display with a couple of handballs to players who were in a better position. The final siren sounded to bring to an end what was a great game, we congratulated the other team and then sang the club song. It was really pleasing after a slow and sluggish start from the boys in the first quarter to see them respond with three really good quarters. With school holidays now here and no games for the next couple of weeks we'll have an opportunity to rest up and get ready for the last few games. I would like thank all the parents that assisted with the game in what was pretty average conditions.

Lastly, a special thanks to all at GGFC who decided to support the McGrath Foundation with teams adopting pink socks. It was great to see all the tremendous support for charity who supports a disease that unfortunately affects so many families. GO BURRAS!

Under 10 Blue

This week's game for Golden Grove Under 10 Blue was away against Athelstone football club. Today was a special day that saw our team trade their GGFC coloured socks for some pink socks to help raise money for the McGrath Foundation. Our captains for today were Kayden Hancock and Thomas Palmer.

It was a windy morning so our players didn't need much convincing to get into their warm-up routine. Fortunately for us, we started the game with a significant breeze to our advantage. The game started and our players looked sharp and were straight into business. With some good quick ball movement and some nice help from the breeze, we managed to kick a couple of unanswered goals in the first quarter. As could be expected based on the wind, the second quarter saw Athelstone managed to get on the scoreboard. This quarter it was their turn to do all the scoring as our boys had done in the first quarter. Unfortunately, Athelstone did a little more scoring that we had managed and took the lead as we went into the half time huddle.

Despite being a little bit down from the previous quarter, the second half started with our players fighting back and creating more of a contest. The two teams seem to have matched up quite well and it had become harder to get the ball moving freely. There was not as much scoring from either side in this quarter but we did manage to kick the only goal to help reduce the margin. Heading into the final quarter we knew it was going to be tough to get the win today. With a lead of two goals it was Athelstone who had the advantage of the breeze again, so far all the goals for this game had been kicked at this same end. The final quarter was again a much more even contest much like it was during the third. It did take a while but we managed to break through and kick a couple of goals against the wind. The final passage of play saw our players win the ball out of the centre and push forward but only to be beaten by the siren before we could get one last score. Given that the game started out feeling unbalanced but ended as a very close competitive game, it was quite fitting that today's game ended up in a draw. Well done Burras in what was a great second half fight back!!!

Our goal scorers for today were Joey Musolino, Thomas Palmer, Zak Dimasi, Mitchell Sobczak, and Owen Manders. Well done Burras in what was a great second half fight back!!! Many thanks to all the great and positive support from all the parents and family. Thanks also to the game day helpers.

Under 12 Red

OMG what a weekend!! Quiz night, Pink Socks round, 3rd vs 2nd and two boys playing their 100th game. Golden Grove taking on Walkerville at Harpers field and what a cracker of a game it was!!

Captain Josh Richter (100 games) and Vice Captain Talan Cooper (100 games) posed for photos in front of the banner before leading the team out onto the battle field. With the pregame speech fresh in their minds and the boys right behind them, every player knew what needed to be done. With the smell of deep heat in the air the first quarter lived up to all the expectations. The backline played man on man spoiling and rebounding the ball out of the backlines delivering the ball to the midfield to run it into the forward lines to get the first score on the board. The attack on the ball was relentless and the boys were putting their bodies on the line and being first to the ball. This was the game changer every 50/50 ball we were winning as the scoreboard continued to tick over.

By half time the feeling from around the ground was somewhat electric. The style of footy being played was everything we have been talking about for weeks. The boys knew they had a score to settle and with their confidence high they attacked the third quarter like their first keeping the opposition to a minimal score and playing like a champion team. The fourth quarter saw us pepper the goals and no matter how many times the boys got knocked down they continued to get back up with the support from their team mates. They continued to run, spoil from behind and find targets up front.

Rotation from the bench continued to flow to keep the legs fresh and that combined with a great team effort was how the game was won.

Final score – Golden Grove 6.8.44 def Walkerville 1.1.7

A big thank you to the three U11 red boys for filling in and contributing to a great win: Zak Hooker, Jace Richardson and Owen Jarrad. Well done to Josh Richter and Talan Cooper on their milestone 100 games. Well done to best players – Chris O'Malley, Kaya Allan, Danyle Dobie, Talan Cooper, Josh Richter, Xander Mossop, Cael Gursoy, Lachlan Giles and Riley Sewell

Thanks also go to Liz Stevens for organising pink socks for the team, Stuart Giles for organising the teams for the quiz night, Gary Scott & Leon Feltrin for their support over the past few weeks, Leanne Scott for the great game day photos and as always all the parent helpers and supporters.

And that's a wrap. Massive thanks goes out to Jamie for bringing out the best in our team, stepping up as Coach. The boys have really enjoyed the change of pace and commitment you have shown to them. Four wins from four testing games, he's proven he's more than just the Runner and Assistant Coach of the team. We welcome Coach Damian back in time for the next game after an adventurous overseas family holiday.

Recognising those behind footy in SA.

SANFL Statewide Super Volunteer of the Year Award

All of us at SANFL and Statewide Super love to celebrate our footy heroes, but they're not always on the field, we want to acknowledge all of the local legends who make our game great from behind the scenes.

Recognise your club's outstanding volunteers by nominating them for the SANFL Statewide Super Volunteer of the Year and they could be rewarded for their time with some great prizes.

For more information, to nominate and for entry terms visit: sanfl.com.au/volunteer
