Under 7 Gold

We ventured down to Fitzroy oval today expecting the worst but hoping for the best in terms of weather and also oval condition and fortunately both were in our favour.

Down a couple of our big hitters this week things were a bit muddled with the rotations and our boys also assisted Fitzroy with a GGFC player switching guernsey each term in order to even up the numbers.

We had a game plan with Jacko, Aiden, Noah and Kaffas being specifically chosen to kick things off in the midfield with all proving to be playmakers in previous rounds. There was voice around the ball-ups and this ensured that everybody was on task and attentive with our midfield Burras executing the plan perfectly winning many taps and being at the fall of every ball regardless.

Down in the forward line Mason peppered the goals on a number of occasions with close range accuracy being a bit of an achilles heel with a couple of shanked kicks but still managed to slot 1-2 and pass off the footy to his team-mates on a couple of occasions also.

The kids were praised at quarter time for the solid effort as previous weeks had seen our team slow off the start line and not really impacting the game until the second quarter.

Our second term was a step up from the previous, with no less than a massive 6 goals and 1 point being scored for the quarter. It was the Aiden and Ayden show in the forward line with Wilco scoring back to back identical goals within about 1 minute also matching with his post goal single arm fist pump celebrating his own efforts. Little Kaffas was dangerous around the goals also, being unmatched with his speed and aggression at the ball. Jacko and Noah were both hanging out to get in on the action and were eventually rewarded for their efforts receiving the ball and slotting a goal each also.

Our competition has varied throughout the season with some dominance in the opening few rounds and some really close contest in the middle of the season creating some great footy and challenging our little Burras and teaching them about everybody out on the field enjoying our game.

We reinforced this 'fun for everybody' aspect at halftime and opened things up for both teams in the third and fourth terms with both teams slotting a couple of goals with the ball traveling coast to coast across the ground engaging all players on the field.

Our kicking accuracy and technique were most definitely identified as being in need of improvement but it was great to see the kids actively seeking out an open Burra prior to disposing the ball down the field.

Players were making space before calling for the ball and were pushing across the ground preparing for a possible turnover and finding themselves in the correct position prior to the play reaching their zone.

Ball movement via handball was also a highlight with teammates being brought into the game and working together to transition the ball across the ground.

We wrap up our season this week with the final training session on Wednesday and the grand finale Friday night game on a very muddy Harpers top oval.

Scorers: Alessio Musolino 2.2, Ayden Kaftan 2.1, Aiden Wilkinson 2.0, Mason Smart 1.2, Jaxxon Wilson 1.0, Fletcher McMillan 1.0, Kooper Riley 1.0, Noah Bache 1.0, Jack Hartwell 1.0, Oliver Fraser 1.0, Tyler Oborn 0.1

Under 9 Blue

For Round 14, U9 Blue were on the road to play Athelstone. After recent heavy rains over the weekend, we were presented with a very muddy oval. A couple of late pull outs from Louis and Cameron reduced our numbers slightly, but those playing completed the pre-match warm up with a good level of enthusiasm. Blake was our captain for the game. The message before the game was to be first to the ball and to move the ball with pace.

The first quarter commenced with both teams playing good footy in patches. After a week off, Sam was particularly busy early in the middle. Jamison was able to do a nice tap to Austyn who moved the ball with a long kick. In defence, Jacob saved what was likely to be a certain goal by diving on a loose ball close to their goal. Down the other

end of the oval, Lochy was involved in a number of plays whilst late in the quarter Austyn completed a nice kick to Jackson who was able to go back and kick a nice goal. The siren sounded to end what was a tight and low scoring quarter in very tough conditions.

Changes to the team were made and the boys were ready for the second quarter. The quarter commenced and the clean possessions were difficult to win with some great pressure from both teams. In the middle, Ryan and Sam were leading the way early with a number of strong tackles, Jamison was also unlucky to not be rewarded following a tackle which prevented the Athelstone player from being able to move the ball on. In the forward line, Patrick and Blake both showed great enthusiasm to ensure the ball stayed in the area. The longer the quarter went on the more control we gained and we were unlucky not to score a number of goals. Whilst in defence Jacob, Harry, Kadin and Jayden all playing their role, with Harry showing great leadership to ensure the wall was setup. After a tough quarter where we were able to regain control and play some great team footy the siren sound to bring the first half to an end.

The halftime break gave all an opportunity to have a quick drink & an orange and to highlight some great team work from the first half. Rotations were made and then I reminded the boys of the pregame areas of focus. After the break, Athelstone seemed to come out running and played some very good team footy. They were able to move the ball from the middle a number of times with relative ease and some great defending by Jackson and Blake meant we were able to save early goals. As the quarter went on we were able to get back into the game after some great play in the middle however some inaccurate kicking failed to see us score many goals. The siren sounded to end the third quarter, the boys came together to have a quick drink and get ready for the last quarter.

The message at the final break was to ensure that we stick to our game plan and remember to defend as well as attack. The quarter commenced with some good play from the boys in the middle which resulted in our forwards having a number of opportunities. In the forward line, Sam was able to kick a goal after some good work up the field. In defence, Jackson and Patrick gave the Athelstone forwards minimal room and were able to create some run from defence. A couple of other highlights were some good tackles and pressure acts from Ryan and a nice tap from Jamison to Brandon.

The siren sounded to bring an end to the game, we congratulated the other team for a great game and then sang the club song. We again played a team that was not only well skilled but well drilled, however we were able to display that we have the ability to play great team footy however we need to remember to stick to our team structures and to defend as well as attack.

Lastly, I would again like thank all the parents that helped with the game and also came out to support the boys. Next week we return to Harpers Field to play Fitzroy in our last game for the season. GO BURRAS!

Under 12 Red

After a week off with the bye Hope Valley came down to Harpers Field to take on the Golden Grove under 12 Reds. We were celebrating Danyle Dobie's 100 Games, Danyle led the boys onto the field as captain with Tom Stevens as Vice Captain. The weather was muddy and drizzly, but the boys were happy to crash through the banner and get the game started.

The game started with Golden Grove dominating the ball out of the middle, Tom Stevens was winning every tap with Jai Arnold and Daniel Hewitt getting their hands on the ball early. We had plenty of scoring opportunities, but Hope Valley were doing well to hold the ball up from scoring. It wasn't long before Jackson Ray picked up the ball from a tough contest snapping it through for our first and only goal for the quarter. Our defence was holding strong Kaya Allan and Zac Bartlett ensured we were in front of our opponents on all occasions and Hope Valley could not score. First quarter ended Golden Grove 1 Goal 2 Points to Hope Valley 0 Goals 0 Points.

Although we had dominated majority of the play we were not playing our best football often being second to the ball. We spoke about it at quarter time and it was pleasing to see an improvement especially from Xander Mossop

and Tyson Hartmann who's attack on the football was sensational. Xander kicked two goals for the quarter and Tyson Hartmann setup many of our good plays coming into the forward line.

Cael Gursoy and Josh Richter were running riot on the wings, they both played brilliant bring the ball forward, but what was most impressive was how hard they pushed back defending. Great game Cael and Josh! The game was getting quite physical as Hope Valley were determined to put the game up to us. Lachlan Giles was playing an important role at centre half forward, Lachy was taking great marks and ensuring that the ball was held up in the forward line. Lachy copped a knock from Hope Valley and had to come off for a period and Hope Valley started to get a bit of control, so we swung Luke Scott up to the forward line. Luke's attack on the footy was excellent and really held the ball in well and it wasn't long before we had the game back on our terms. Half time scores Golden Grove 3 Goals 3 Points to Hope Valley 0 Goals 0 Points.

The third quarter started with Talan Cooper winning the ball out of the centre getting the ball out wide to Declan Braybrook who kicked the ball long a packed formed and Daniel Hewitt was able to kick the ball out of the pack for a nice goal. Both Talan's and Declan's work rates on the day were exciting to watch. Great game Talan and Declan! Kalan had played Centre Half Back all game and we put him up forward to start and help open up the forward line for us. Kalan attacked the ball with his usual ferocity on one occasion taking a great mark and hitting Tyson Hartmann on the chest.

Danyle Dobie was working hard all game and blew the third quarter open for us, all the oval was quite muddy and the players were slowing down Danyle continued his usual hard running and was everywhere. On many occasions winning the ball from the middle and winning many 50/50 contest. Giving us an edge on the day. Great game Danyle and congratulations on 100 excellent games for the Burras!

Chris O'Malley was swung into the ruck and from the minute he started won every tap. Chris not only was impressive in the air but his attack at ground level really set him apart from the competition. The third quarter scores Golden Grove 5 Goals 9 Points to Hope Valley 1 Goal 0 Points.

We started the fourth quarter with an aim of getting 4 goals for the quarter and when Michael Tarzia was put on ball his attack was outstanding giving us first use of the ball and we were able to string to get some good plays with running handball. But as well as we played Hope Valley never gave up fighting hard and challenging our backline. The game was coming to an end when Tyson Durdin took a mark 40 metres out from goal when the siren sounded. Tyson went back and gave it his all kicking a great goal to end the match. Not only did Tyson kick a great goal but he played a great game as a rover all day. Great game Tyson!

Best players on the day included Danyle Dobie, Tom Stevens, Zac Bartlett, Tyson Durdin, and Xander Mossop.

Final Scores

Golden Grove 7 goals 10 Points 52
Hope Valley 1 goal 2 Points 8

Goals - Tyson Durdin 2, Xander Mossop 2, Tyson Hartmann 1, Jakson Ray 1, Daniel Hewitt 1
