Under 6 Green

The Green Kookies were home tonight versus Modbury Hawks and a tough contest was produced for a crowd that was up and about.

A tough first quarter saw only a couple of goals kicked. We were up against it with some of our best players missing – Ethan to sickness, Mason Maynard unavailable and Jakob Tuckwell missing with a double break to one arm. That didn't stop other players stepping up, though, with very strong performances from Alexander and his raking left foot, Caillin probably having his best game of the season with tough marks and long kicks, and Annelise as busy as ever getting plenty of loose ball.

Cohen had a cracking hard ball get where he dived on the ball, stood strong and delivered long, and Thomas had a massive kick for goal that just missed. Billy was probably our best in the first quarter with his hardness at the contest, and Archie, Hayden and Brodie started to find the ball more as the game entered the second half.

We had to give the other team 1 each quarter, so we thank William S, Thomas, Mason E and Lincoln for volunteering. The score board was back and forth all night with only a point or two separating the tough two teams, and some long goal efforts were what kept us threatening all night – with good shots by Jarvis, Brodie, Hayden, Thomas, Annelise, Caillin and some great kicks from Callum, our perfect-action specialist.

With one more game to go, away to Gepps Cross, the team have developed nicely for a first year bunch and are looking to finish off strong before celebrating with awards night and presentation day. Good Job Kookies....

Under 7 Blue

Round 14 saw U7 Blue head down North East Rd to play Gaza on Sunday. Upon arrival, conditions were almost perfect for our second last game of the year.

We were blessed with again strong numbers again this week with 16 boys available for the game, Gaza's numbers weren't so strong which meant that two boys from U7 Blue would be need to play for Gaza so that we could have a 14 vs 14 game. Regular assistant coach Scott, was unfortunately restricted to the side lines after injuring himself mid-week. Jack's dad (Darren), Lachlan's dad (Luke) and Jayden's dad (Michael) all assisted with the pre-game warmup as well as marshalling the boys for the game. The help from these and other parents is certainly greatly appreciated.

Training during the week focussed on competitive/skill drills and fun games. The focus areas that were highlighted before the game were: be competitive/first to the ball, to opt for smart kicks and to apply pressure acts when the opposition was in possession. Our captains for today's game were Sam and Jayden.

The enthusiasm and energy before the game was good with the boys were keen to get under way. The game commenced under almost perfect conditions. U7's Blue's five J's (Jayden, Jamison, Joseph, Joshua and Jack) started the game strong winning a number of strong possessions from the middle to send the ball into our forward lines where Austyn, Sam and Louis were all able to have shots at all goal. Down the other end of the oval, the defensive team were rather busy with Rylie, Blake, Kadin, Cameron and Ryan taking strong marks and moving the ball fast.

Quarter time came and which gave the boys a chance to grab a drink and to remind the boys to man up tighter and to apply pressure when Gaza had possession. The quarter started well with Sam, Brandon, Lachlan and Louis providing a great deal of pressure and winning a number of 50/50 possessions. This allowed the forward line to see a great deal of the ball with Ryan and Cooper kicking truly to both score goals. In defence Jack, Joseph and Jayden were busy winning multiple possessions and creating run and fast ball movement.

Half time came which gave all involved an opportunity to grab a drink and an orange after a tough first half. The enthusiasm was high with the boys very eager to head back out to their possessions to start the third quarter. The quarter started well with our midfield winning possessions regularly with Rylie, Cooper and Cameron all busy with a number of handballs and long kicks being used to move the ball forward quickly. Up forward Jack, Jayden and Joshua were again busy with some great team work allowing Jamison and Joseph to take strong marks and kick truly to score goals. In defence, the entire group was playing great team football manning up tightly and applying a great deal of pressure for the entire quarter.

Three quarter time came which gave all involved to grab a quick drink and rest. The message at three quarter time was simple, to keep doing what we had been doing all game for one more quarter. As the last quarter commenced the U7 Blue J's started very well providing pressure and winning/moving the ball fast into the forward lines. This allowed our forwards to have a number of opportunities with Brandon, Austyn and Sam all able to kick truly to score goals. As the quarter continued we were able to continue to win possessions across the ground, apply a number of very impressive pressure acts and win a number of loose balls. As the final siren blew, we congratulated the other team for a great game and then sang the club song.

Today, I feel that we played our best game for the season. We demonstrated good skills, determination, impressive pressure acts and great team play for the entire game. We again played a more experienced team however from looking at how the boys played you certainly couldn't tell that we played our first game back in April. All of the boys have improved so much this year and have been a pleasure to coach. This week we are unfortunately playing our last game for the season against Elizabeth away. I am confident that we can take our good form in recent weeks to our last training session and then game and finish the season off with a bang. GO BURRAS!

Under 9 Green

This week U9 Green travelled to Mawson Lakes for the first time and after the last couple of weeks it was nice to have the weather on our side. Mawson Lakes were short a couple of players so we gave them two players each quarter. With boys in our team given the job of tagging and shutting down the Green Machine boys in the Mawson Lakes Guernsey. This resulted in some tough battles throughout the game.

Once again this week the game was predominately played in our forward half with Damo pushing a couple of our defenders up on the wings to get involved. It was great to see the boys really starting to use their voices and getting involved around the packs. Also they are starting to work in groups and trying to work out their out tactics and getting themselves into position – they have all come along way.

A couple of highlights of the game this week both came in the last quarter firstly the boys put together a string of handballs to take the ball from the half back line down the wing and into the forward lines for a score.

Secondly I was so proud of all of our boys when they found out that Hayden had yet to experience the excitement of kicking his first goal. Throughout the last quarter you could hear all of the boys trying to help Hayden getting into position and yelling to each other give it to Hayden, pass it Hayden – good work boys. Unfortunately it wasn't to be but Hayden hold your head up high it will come and be proud of how far you have come since game one.

To all of our new boys Caleb, Christian, Hayden and Thomas congratulations on a great first season in the Green Machine you should all be so proud of yourselves and how much you have improved. To the rest of you boys thank you for welcoming them into the team.

Under 10 Gold

Sunday 7th August – Round 13 – It was another great day for football as we played Para Hills at Para Hills. Captain for the day was Cael Gursoy with Daniel Dobie as Vice Captain. I could tell from the first moment we arrived that we were switched on and ready to play some great footy.

The first quarter was excellent as we continued to win the ball out of the middle with the talent of Tom, Xander, Danyle Dobie and Seth. The forward line responded quickly and it wasn't long before Alex and Josh had goals on the board. Jack Moss and Jack Lavender showed real maturity in the back line ensuring they were in front of their players and reaping the rewards every time the ball was kicked in their direction. Cael played an outstanding captains game regularly busting through the packs and getting free kicks for high tackles. The 2nd Quarter was similar to the first with the Burra's on top all over the ground. Daniel Hewitt, Riley Watkins and Isaac Luders got the ball forward and with some relentless tackling kept the pressure right on Para Hills. After a mix up with the position board at half time the 3rd quarter saw Brodie Leisavnieks take the game on, it was impressive to see Brodie take big marks and centre the ball to the 2nd square when he probably could have kicked the goal. Daniell Cowie, Wyatt Dymmott and Jayden Camilleri played some hard, tough footy constantly at the bottom of the packs, getting hand-balls out to players in better position.

It was important that we continued to play four full quarters of footy and Tyson Durdin's burst of four goals sealed the game. Zach Pope, Ben McGreggor, Talan Cooper and Jackson Ray were prevalent during the final quarter with all players getting into space and running the ball deep into the forward line. Overall it was an outstanding match with all players playing their role. I was very proud of how the boys played and particularly how everyone in the team celebrated after the match. Great work Burra's.

Sunday 14th August – Round 14 – Wednesday night match against Golden Grove Blue demonstrated the strength of Under 10 footy at Golden Grove and was fantastic preparation for playing Eastern Park at Golden Grove. This week's Captain was Alex Pengilly with Josh Richter and Zachary Pope as Vice Captains.

It was disappointing that Eastern Park were only able to get 14 players, but nether the less I was more than proud to see the great sportsmanship displayed by the Burras when all players nominated to fill in for Eastern Park did so with no hesitation. Every player who filled in played great football and led from the front. Special mentions to Thomas Stevens, Danial Cowie, Danyle Dobie, Cael Gursoy, Daniel Hewitt, Tyson Durdin, Jack Lavender, Riley Watkins, Wyatt Dymmott, Isaac Luders and Alex Pengilly who all filled in for Eastern Park during the match.

The game started well with the Burras getting the ball out of the middle via Brodie Leisavnieks tap straight down the throat of Daniel Hewitt who got the ball deep into the forward line and saw Alex kick the first goal within 15 seconds. Both Brodie and Daniel had great games, Brodie's ability to win the ruck tap and get in down to the onballers was exceptional and Daniel demonstrated his pace once he got the ball breaking the packs and kicking long. But it was always going to be Alex's day, Alex took to role of Captain on seriously and led from the front on all occasions his toughness at the contest was second to none and constantly won the ball at the bottom of the packs. (The mud on Alex at the end of the game really demonstrated the day he had).

It was great to see all players showing improvement in areas of the game that we have been focusing on during the year and it was Isaac luders who when playing in the forward line applied so much pressure on the opposition that he was able to get rewarded with the holding the ball and went back and kicked the goal. It was great to see that when the game got a bit scrappy it was Jack Moss who got the ball out of the middle of the pack and with a long kick forward cleared the ball into space for our team to run onto the ball. The second quarter we continued our good form and it was Jakson Ray who was taking some big marks around the oval and on multiple occasions ran back quickly of the mark hitting team mates on the chest. Great game Jakson!

Xander played another great game with strong tackling and the ability to centre the ball to the second square was outstanding. Danyle Dobie was asked to run his full distance when he got the ball and what a great result. Danyle was able to open up the game breaking through the packs and getting the long kick forward. The third quarter saw Riley Watkins mark the ball on a tough angle and with confidence went back and check sided the ball straight through the middle. It was great to see Riley demonstrate so much confidence when he took the mark. Riley and Xander also scored a goal for the opposition when he filled in. Although the game was one sided on the score board it was still a good physical match and it was impressive to see the determination from Josh Richter when he went full on into the contest got knock down and sprung straight back up to lay a brilliant tackle and get the ball. Josh also demonstrated some class in front of goal with a quick snap shot the sailed straight through the middle.

Thomas Stevens played another outstanding match attacking the ball hard. Tom's ability to win the ruck tap down to our onballers was brilliant and his long kicking allowed for our team to take some important marks in the forward

line. It was impressive in the fourth quarter to see Talan in the forward line when he could have taken the mark from behind was discipline enough to make the spoil and drop the ball to the front of the pack and Cael Gursoy swept through crumbing the ball and kicked the goal. This type of play is outstanding from an Under 10 group and was great to watch. Great game Talan and Cael! Tyson Durdin was damaging when he got the ball with pin point passing and when Tyson was close enough to kick the goal took the shot finishing with four goals. Great game Tys!

It was still a tough contest when Jack Lavender burst through the pack kicking a great goal. Jack's improvement during the year has been outstanding. Jayden Camillieri and Daniell Cowie worked hard around the ground they were both particularly impressive on the wing hitting hard into the ball up at the bounce winning the ball and getting the kick forward. Wyatt, Zach and Ben all played their role with tough laying some important tackles and getting rewarded with a free kick. Each player worked hard all day. Great work Wyatt, Zach and Ben!

Special thanks to all the amazing parents who helped in the canteen, cooking up a storm and serving in style! Go team Goldies!
