KOOKABROTHERS AND SISTERS!

*It is with great excitement that the Golden Grove Football Club would like to officially announce that one of its favourite sons Daniel Menzel from the Geelong Football Club and his brand “**MTMF**” (**Mental Toughness Mental Fortitude**) has joined forces together!*

*Daniel’s powerful and influential trademarked self - marketed brand “**MTMF**” has proudly been endorsed by him to be utilised by **GGFC** to inspire our players, members, sponsors and (**GGFC family**) to be the best they can be and never give up in the face of adversity. It is a truly unique and unprecedented opportunity for us all to be involved with.*

Even more special for our club is that the partnership solidifies the relationship with one of our many very successful past junior players who have ventured into and succeeded within the SANFL and AFL systems. Unfortunately in Daniel’s case he has faced much adversity over his journey, suffering multiple knee reconstructions and other injuries, but through nothing other than hard work and tenacity he has arguably returned as a more accomplished player than ever before on several occasions and is right now aiming to play a major role in the Geelong Cats 2018 premiership campaign.

*During his previous arduous and what seemed like never ending recovery sessions Daniel used his iconic wristband with the “**MTMF**” slogan on it to keep him focused during his recovery sessions. Whenever he felt like it was all getting too hard or he was feeling fatigued he’d use the message to gain that extra motivation and adrenalin to take his training and recovery sessions to another level to achieve his ultimate goal of getting back on the park.*

*The “**MTMF**” message is now used by thousands of people who have reached out to him to provide support or advice during injury rehabilitation and has also been utilised by him out on the footy field to “**Never Give Up**” and to “**Stay Focused On The Goal**”*

*This same opportunity is now available to all of us as we have access to the wristbands at the club **NOW** or via bulk team orders if required (No obligation) for only **\$5.00** a band.*

*Over the coming weeks our coaches and mentors will be chatting to their respective teams about what “**MTMF**” means to them as a group and how they can use it not only on the footy field but in day to day life to inspire them to be the best they can be.*

*Let’s all get around this new partnership, message and brand which we’ve got no doubt will be a huge influence on **OUR** club for years to come.*

If your team wishes to bulk order the wristbands please email trevor.hasiuk@wrsorora.com.au

*If you wish to order “**MTMF**” branded clothing please visit... www.mtmf.com.au*

Keep your eyes open at the club for the exclusive video blogs that Daniel has addressed to the club, our members and supporters to reinforce the partnership!

Under 9 Blue

After a couple of weeks break for the school holidays, U9 Blue returned to play Elizabeth away. We were presented strong a blustery conditions however it was good to see the overnight night rain had cleared. A few late withdrawals from Patrick, Louis and Cameron reduced our numbers a little but those who were playing seemed very keen and completed the pre-game warmup with a high level of enthusiasm, our captain for the day was Ryan. The message to the boys prior to the game was to be first to the ball and move the ball with speed.

The boys took to the field and headed to their positions, the game commenced with the ringing of a cow bell which certainly took a few by surprise. The first quarter was certainly tight with both teams playing good pressure football. Sam and Jayden were busy early in the middle whilst Lochy and Jackson commenced the game with great energy in the forward line, some great defence work from Elizabeth prevented goals from being able to be scored. As the game went on we were able to keep the ball in our half however the boys in defence played great team footy with one highlight being a solid team tackle from Harry and Brandon to stop Elizabeth's ball movement. The bell rang to bring the first quarter to an end.

After the break, the changes were made to the team and the boys were ready to commence the second quarter. The boys in the middle certainly had a challenge with two very tall players from Elizabeth making winning a ruck contest difficult. In the forward line Brady was on the end of some good ball movement from the middle and was unlucky to not score a goal early. The tackle pressure across the ground was very impressive with a number of strong team tackles from Jackson, Lochy, Jayden and Austyn. Late in the quarter Blake and Austyn were able to keep the scoreboard moving following some nice movement from Sam and Jamison in the middle. After a very tight and tough quarter the bell rang out to bring the first half to an end.

The halftime break gave all an opportunity to have a drink and highlight a number of great team play from the first half. The boys in the middle were again faced with competing against a couple of giants for U9 however it was pleasing to see the boys adapt their style and play tighter focus on the Elizabeth midfield which saw us able to win a number of possessions. The tackling was again a highlight with a number of strong tackles across the field with Harry, Blake and Ryan all involved. Blake played particularly well on the last line of defence saving certain goals and making it particularly difficult for the Elizabeth forwards. In the forward lines Jamison was unlucky to not be paid a mark after it just spilled out however it was pleasing to see that he continued to chase the ball and was able to have a shot for goal which just missed. Great pressure from the boys in the forward line ensured that the ball stayed in the area with a number of shots taking place. The bell indicated that another great quarter from the boys had come to the end.

The message at three quarter time was to ensure that ball was moved with pace and the tackling continued to be strong. Final rotations were made and the boys went out to their positions. Sam started the last quarter well with a nice tap to Hayden which allowed the ball to be moved into our forward lines. As the quarter went on the boys continued to display great tackling across the ground. In the middle it was great to see Jacob win the ball through great endeavour and then move it on with a nice handball. In the forward line Kadin showed great energy and desire to win the ball late in the quarter. The bell was rung to the game to an end, we congratulated the other team for a great game and then sang the club song.

After a couple of weeks off and somewhat of a slow start the boys finished off the game very well. It was pleasing to see our tackling was of a high standard following practicing this at training in recent weeks. We need to remember to stick to the basics and not make things more difficult.

Lastly, I would again like thank all the parents that helped with the game and also came out to support the boys. Next week we will return to Harpers Field to play our last Friday night game for the season against Hope Valley. GO BURRAS!

Under 10 Blue

Sunday the 29th of July saw our U10 Blue team play against Angle Vale at home. Leading our team as captain for today was #6 Samuel Doyle. After some early morning rain I thought we were going to be lucky with blue skies above, but this didn't last and I think it is fair to say that everyone got drenched. I guess you have to expect this, after all footy IS a wet weather sport.

The game started off quite even but it didn't take too long for the first goal to be scored by Angle Vale. Fortunately, our boys were able to fire up and managed to kick a quick reply followed soon by another to head into the first quarter break with a slim lead. The start of the second quarter saw more of the even game that we saw in the first and then came the rain. My expectation was that things were going to get scrappy and the game would continue to be tight. What did happen however was that our boys took the game up another notch and dare I say it, they actually played better with the rain. By the time we had reached half time we had managed to extend our lead out to a healthy 5 goal margin. The rain was stopping and starting for most of the second half but our boys kept on going and continued to extend their lead throughout the third and the final quarters and became the winners for today. Credit goes to the Angle Vale team who despite being behind on the scoreboard never stopped trying, well done to all of you.

Today's goal scorers list was impressive with many players contributing. To make things even more special was that we had three of our players kick their first goal for this season, well done. Our goal scorers were Dallas Riches, Joey Musolino, Marcus Damiani, Zak Dimasi, Jett Chenoweth, Mitchell Sobczak, Ethan Wadsworth, Cameron Jarvis, William Rasch, and Kamron Wilson. Of course, the opportunity for these goals to be scored was the result of all of the player's efforts so a big congratulations for all of the boys is needed.

Special thanks this week to all of our parent helpers as well as other parents, friends, and family members for coming along to support our team in less than comfortable conditions. Again, well done to our U10 boys and now we look forward and prepare for our next game. Go Burras!!

Under 12 Red

This week the U12 Reds played TTG at TTG who were sitting in top spot with only one loss. It was Danyle Dobie's 100th game for the Golden Grove Football Club and he led the boys out onto the field as captain with Lachlan Giles as Vice-Captain.

The game started and from the very first bounce the game intensity was high with TTG getting the first clearance out of the middle and drove the ball straight into their forward line. Our defence stood tall with Kalan Weaving taking the mark and repelling the attack. Kalan played a real leaders game on the day. TTG had a number of good players and it was important that we held them accountable and it was impressive to see Zac Bartlett play so tight on his player, he was able to defend everything that came his way not only playing his role but setting up the play as we moved forward. Great game boys!

The boys in the middle fought hard with Tyson Durdin and Cael Gursoy playing superbly running hard to the contest and winning all of the in tight contest which enabled us the start to get a bit of flow in our game. The pressure was so great it was difficult for both teams to score and Josh Richter and Luke Scott fight so hard for front position in the forward line, both players attack on the ball all game was outstanding and on one occasion it was great to see Luke hit the contest hard dropping the ball to the front of the pack and Josh swooping through picking the ball up cleanly ready for the shot on goal.

But the game would not open up, scoreless after the first quarter.

As the second quarter started it was our fierce attack on the ball through Tom Stevens who with some very clever ruck work palmed the ball down to our on ball brigade and with Jai Arnold winning the ball out of the middle, it was not long until we had the first score on the board. Tyson Hartmann's cool calm composure slotting the ball on the angle. Tyson ended up kicking 2 goals for the night and is the association leading goal kicker. Well done Tyson!

We had discussed the importance of not being out marked on the day and had a big role for Lachlan Giles playing at centre half forward and changing in the ruck. Lachy took a couple of key marks around the ground and also slotted a nice goal in the goal square giving us a good lead.

The momentum was starting to swing our way and it was great to see Chris O'Malley stand TTG's really tall full forward, it was an awesome tussle where the TTG player was trying to intimidate Chris but Chris held his ground all

night making sure his player did not get a touch. It was also great to see that when we were going to change Chris to another position he said “ No I really want to finish the game on him”. Great game Chris and superb team play!

The second quarter ended Golden Grove 4.2 to TTG 0.0

But we knew that the game was not over and that we had to lift our game a notch if we were to keep TTG out of the game. The tackling from our boys was relentless and it was great to see Kaya Allan and Jakson Ray leading the way with some awesome tackles often being rewarded by the umpire with holding the ball decisions.

Sam Rudd and Declan Braybrook played particularly well in the third quarter as we were seeking to switch the ball more to open up the play and with Sam Rudd sitting out a little wider on the wing saw the ball quickly get switched to the middle of the ground and then moved the ball quickly onto Declan hitting Tyson Hartmann straight on the chest.

The game was starting to open up now and the hard running of Daniel Hewitt with some nice inside handball's moved the ball quickly through the ground enabling Xander to get out wide on the 50 meter mark. Xander impressively sprinted around on his left foot with a perfectly timed kick that dribbled through for what looked like would be a certain goal only to hit the post at the last minute. Xander did kick another great goal on the night.

The third quarter ended Golden Grove 5.3 to TTG 0.1

It was important that we maintained our work rate in the fourth quarter and ensure that we finish off the game. Riley Sewell was play his usual outstanding match, Riley's ability to attack the ball and beat his player at the contest is excellent and Friday night he was at his best not giving TTG an inch.

Our defensive effort all night was outstanding and a large credit has to go to Talan Cooper who rebounded everything that came in. On one occasion Talan was out number 3 players to 1 and was able to hit the ball at full pace take the ball cleanly and side step around 2 opponents. Talan's attitude to his footy is seeing him play great attacking football! Great game Talan!

But as a team we were really playing for Danyle Dobie and making sure he got the win for his 100th game and not only did the boys play excellent for Danyle, but Danyle played an awesome game with hard gut running, tackling hard with some good marks around the ground. Danyle won many clearances out of the middle playing the ultimate 100th game for the Golden Grove Kookaburra's. Great game Danyle and congratulations on 100 games!

Best players on the night included Danyle Dobie, Cael Gursoy, Zac Barlett, Tyson Durdin, and Tom Stevens. Go the Burras!

Final Scores - Golden Grove 8.3.51 defeated TTG 0.3.3

Goals - Tyson Hartmann 2, Tom Stevens 2, Lachlan Giles 1, Tyson Durdin 1, Xander Mossop 1, Cael Gursoy 1
