Under 6 Gold

Our final round for 2017 could not have been more ideal (apart from the wind). Playing at home at Harpers on Sunday morning against our U6 Green Burras was a great way to finish off a successful season. Both teams had trained next to one another for the entire season but besides a short scratch match the week prior we didn't really know if the kids were going to play any different, especially due to the game day jumper being something that we had grown accustomed to as being the target down the field. With some great form from the previous couple of weeks the kids once again didn't disappoint and were great in their attack on the ball along with the second effort at the contest. Countless times, both teams tussled for the footy with the umpire needing to ball it up and with our Burley Bloodhounds around the ground the ruck tap was quickly gathered and pushed forward.

In the opening term we had a bit of a liquorice allsorts in the midfield with some Tall Timber in Liam (the wrecking ball) Inglis controlling the ruck. Coupled with some muscle with Mase and William who were formidable bollards that could not be swayed when they made a B-line for the ball. Topping off this combo were our two smaller go-getters in Coop and Koby who were fast on their feet and ready to spring into action at a moment's notice.

With the strong breeze not in our favour, scoring was always going to be a challenge and the ball would need to be run up the ground. This was the instruction that was given pre-game and our forward line took it on board with Jax, and Brodz running with the footy, although they both seemed disorientated running towards the point post. With some instruction the 6 point zone was identified and both players slotted multiple scores for the quarter. Not shown on the scorecard but the highlight for the quarter were the stats that were notched up by our youngest player with Samuel "Mini-Swoop" Switala getting his hands on the footy on multiple occasions, winning ground ball tussles and passing off to his teammates.

The second term saw our backline move into the forward zone and with the breeze at their tails the instruction was to kick long and have a go from as far out as they could. Surprisingly the breeze didn't assist as much as first thought and Ollie noticed that the kicks were not going as far and positioned himself in the ideal drop zone away from his opponent. With some vision from Noah he was delivered the ball and notched up a goal for the quarter. Noah, never one to be outdone, snagged a goal for himself and celebrated with his teammates. The ball wasn't always in our favour and the Green Burras pushed back and caught our defensive zone off-guard who for a brief moment decided to have a conversation and rock-off whilst the ball dribble past and they were unaware of what was transpiring. The Green Burras leapt upon this momentary drop of our defence and snagged a goal for themselves. Once again though the biggest highlight for the quarter wasn't at either end but with the midfield with the normally quiet and well-mannered Cooper tearing it up and getting his hands on the ball in two spectacular plays. Coop has been developing exponentially in our previous two games with the on field coach learning to keep his mouth zipped and let him go about his business without imposing a distraction with instruction on what he needed to do.

The third term saw Mickayla "The Mac Attack" Edgecombe moved into the midfield and with her height control the ruck contest and on a number of occasions found herself with the footy. Macka engaged her teammates in the game but almost came unstuck shortly after winning a ground ball tussle becoming disorientated and was about to kick the wrong way. Luckily her teammates were vocal in the opposite direction and were calling for the ball, so with a tactical turn and booming kick Macka drilled it back into our forward line.

The remainder of the term was once again a tight tussle with the Green team being equally as thirsty for the footy. Players started to realise that they needed to make space and clear the ball as the congestion was causing many stoppages of play with ball ups. Jacko was another of our hard ball getters in the midfield and it was fantastic to see him lift his eyes prior to slamming the footy on his boot. Jacko singled out Mase in our forward line who had made some space and was calling for the pass. This decision led to an uncontested mark and subsequent goal being scored and was a great bit of play to witness.

Just prior to the three quarter time break the Green Burras made a fast break from the midfield and drilled the ball into our backline. Whilst many players were caught off guard Koop's spider sense tingled and he pre-empted where the ball was likely to land and went for the intercept. Unfortunately he didn't get his hands up in time and received a full face falcon for his troubles that made the crowd wince and Koop was in obvious pain. After a brief rest on the side lines he discovered that it was his turn in the forward zone and leapt back onto the field with prospect of kicking a goal as some sort of award for the tears that had been shed for the team. This didn't go quite to plan after receiving another knock but he recovered and kicked his goal. This was not the end to his time in the spotlight with the very next ball in our forward line once again picked up and despite desperate calls from his coach to share/pass it off to his teammates another goal was notched up to his name. After some brief counselling it was discovered that his logic behind kicking two goals was due to the two knocks to the face that he had previously received and in his eyes he was now all square with his grudge against the Burley.

It wasn't all sunshine and rainbows in our final term with our defensive lines going to sleep or more accurately "playing Zombies" in the backline. Unfortunately our flesh eating junior Burras were too busy swaying from side to side with arms stretched out to action the Green Burras quick centre clearance and the loose ball was kicked into our defensive zone. They seemed unwavering by what had transpired and this brought great laughter from the crowd and was a comical way to finish off the game.

The entire game was played in good spirits with everybody from both sides getting involved. We have a great bunch of families who have come together this season. I'm sure that all of the kids have enjoyed their footy at GGFC and will be itching to have a crack again next year.

As a coach recalling our first training session the kids were rowdy with many individuals wanting to stand out in the crowd and be the centre of attention. As the season progressed team values were imposed upon them with our "Team is #1" rule written in permanent texta on our game day whiteboard. A shift of focus was noted, with many individuals who had previously tried to be the class clown turning a corner with sportsmanship and working together as a team being the new goal and this is fantastic for such a young age group. Improvements in self-confidence and skill sets were obvious but the biggest positive aspect was the inclusion of others which is exactly what we wanted to achieve and our U6 Golden Superstars have exceeded expectation with exciting times ahead for this group.

Under 7 Green

The Green Kookies final match of the year was away at Salisbury North on a night that actually presented pretty good match conditions, despite all the rain during the day.

GGPS had a school disco on, so we were missing Thomas, Chelsea, Mason Maynard, Hayden and Wyatt, as well as Jacob Day on holiday, Mason Easter and Taylor sick and Ethan, Cooper and William away as well.

Luckily for us, we have a big community at GGFC and u7 Gold sent us Cailan, Luke and Brady, who all flew for their marks, ran and carried superbly and shared with their new team mates whilst also scoring goals of their own. We also were well served by Billie and Jett from the u6s, who got to play again with their old team mates from last year. Billie was hard at it in the middle, getting plenty of hard ball gets, and Jett provided much run and carry all night. Lastly, we had Jack from u7 Blue, who was so impressive in defense, marking everything and getting good kicks away to setup team mates.

Salisbury North had some big kids that could kick well, but every entry into their forward line was cut off and consequently we kept them goal less for the night. At the other end, we had Alexander kicking goals, Caillan marking and kicking well, Jacob Kenna crashing in regularly and getting on the scoreboard, Brodie and Jarvis providing options wide all night, Jaxon had his best game of the night with 4 hard ball gets in the first quarter alone and Annelise ran wild on the wings to enter the forward third repeatedly.

In the end, we scored some 10 goals and shared the ball magnificently. As soon as Tucky arrived, he ran straight onto the ground and started getting involved in scoring. Lincoln and Jarvis were captains, and Lincoln did all he could to be creating chances and space, as well as manning up when it was his turn in defense.

All in all, it was a case of All Played Well, with no Kookaburra Parent walking away less than satisfied that their child developed enormously this year.... Well done to all and thanks to all our fill ins for the night, we loved having you on board and the 15 that played represented the club in outstanding fashion!!!

Under 8 Blue

Round 15 saw U8 Blue return to Harpers Field to play Mawson Lakes in our final game for the season. We were blessed with great numbers with all players available, a couple of late pull outs from Mawson Lakes meant that we needed to provide three players per quarter to ensure the game could go on. After a good training session during the week, the entire group appeared to be ready to play as the pregame warmup was completed with great energy. Our captains for the day were Austyn and Blake. Mawson Lakes won the toss and chose to kick to the Southern end where there was a strong breeze blowing.

After a relatively slow start to our Round 14 game, the focus pregame was to remember the basics (manning up, smart kicks) and play in front. The first quarter commenced with Mawson Lakes winning the first couple of clearances out of the middle however some great defending and intercepting allowed us to reduce the number of easy shots at goal. Cameron, Ryan and Austyn were all busy. As the quarter went on the boys in the middle were able to win more of the ball with Jackson and Patrick showing a great endeavour and were able to move the ball forward. In the forward lines, Sam and Kye were busy taking a number of marks whilst Jamison and Josh showed great pressure to ensure the ball stayed in the area. Difficult conditions made scoring challenging with Sam unlucky not to score two goals late in the quarter. The first quarter came to an end which allowed the U8 Blue boys to come together for a quick drink and changes to the team. After a really good quarter I reminded the boys to stick to the basics and to play team footy.

The second quarter commenced well for U8 Blue with Sam tapping the ball well to Harry in the middle whilst some good energy from Rylie ensured we were able to move the ball forward. In the forward lines, Lochy and Ryan were busy whilst we were able to get the scoreboard moving with goals from Brady, Ryan and Blake. Down the other end of the field in defence, the boys were playing good team footy and applying considerable pressure to the Mawson Lakes forwards. Paddy and Jackson both took a couple of strong marks whilst Brandon was able to win a ruck tap against a significantly taller opponent to tap the ball perfectly to our advantage. The half time siren sounded which gave everyone a chance to refresh with a quick orange and a drink. The break also gave the coaching staff an opportunity to highlight to the boys a number of 'team high 5's' that occurred in the first half.

The second half got underway with the boys in the middle playing great team footy where they were able to cause a number of turnovers with some great pressure. Cameron was particularly busy covering a lot of ground and was able to move the ball forward with a number of long kicks. Kicking against a strong breeze the boys in forward lines made the most of their opportunities scoring a number of goals. The highlight was certainly a slick handball from Brandon to Jayden who was in a better position and able to score a goal. The boys in defence were appeared to lose concentration a couple of times which allowed Mawson Lakes to be able to take easy marks and score goals. Late in the quarter some tight defending and pressure from Sam, Asher and Josh made attempts to score from Mawson Lakes difficult. The siren sounded to bring the third quarter to an end, the boys came together for a quick drink. Being the last quarter time break for the season the enthusiasm appeared to be high from the group, the coaching staff reminded the boys to finish off the game strongly and to have as much fun as possible.

The last quarter commenced almost perfectly with Jayden tapping the ball perfectly to Louis who was able to kick the ball into our forward lines. As the quarter went on the boys continue to play great team footy with Josh, Jackson and Austyn all involved in passages throughout the quarter. In the forward lines the boys started well with Kye and Harry both involved in scoring plays, Jamison and Rylie were unlucky to not win possession after running well to space and using loud voices the ball unfortunately took an acute bounce. Late in the quarter, a highlight was a long goal with the breeze from Harry. Whilst in the defence the boys were playing great team footy and were applying significant pressure to the Mawson Lakes forwards. This pressure either caused turnovers or saved certain goals from being scored. Blake, Lochy and Callum were busy and ran out the quarter with good energy. Another player that was busy in the last quarter was Jacob however it is worth noting that he was wearing a Mawson lakes jumper. The final siren blew to conclude our last game for the season, we congratulated the other team for a great game and then sang the club song extra loud for the last time.

On Sunday in difficult conditions we played some really good team football. The energy and pressure the boys showed from the start was impressive. It was great to see a

number of the boys accepted playing for Mawson Lakes without fuss and were certainly keen to take a few marks and win the ball against their normal team mates. The improvement the boys have shown throughout the year has been nothing short of amazing. The last few weeks it has been really pleasing to see the boys play more and more as a team.

It has been a pleasure to be able to coach the boys this season and I have certainly enjoyed the journey. I certainly hope to see the boys back playing footy at GGFC again in 2018. Moving to U9's next season will see a number of significant changes however I am confident that the boys will be able to continue in their development and accept the changes with relative ease.

Lastly, I would like to thank everyone that has helped out U8 Blue either at training or on game days, your assistance is certainly greatly appreciated. A special thank you must go out to our Team Manager Deb and our Assistant Coach Scott, without their support our team would simply not be able to go ahead. Whilst I am looking forward to the break, I will certainly miss footy and coaching the boys, bring on season 2018. GO BURRAS!

Under 10 Green

U10 Green have had a fantastic season this year, only a couple of times this year have they been challenged and with only 18 players for the majority of the season it has been a real credit to them.

Obviously we wanted to finish this season with a great game and Fitzroy didn't disappoint, from the first bounce the opposition tackled and chased as hard as anyone we have played for the year.

After having emphasised all season on team first football and working the ball up the ground with handballs and kicks, I believe this turned out to be the difference between the two teams.

The first quarter was rough and tough neither team giving an inch but we finished the quarter probably a goal up, the second quarter we got a run on and really displayed our superior handball and foot skills and finished the quarter probably three or so goals ahead.

The momentum in the third quarter changed as they made a few changes but we dug in and again kept getting the ball forward giving our forwards opportunities and would have finish the quarter just ahead.

The last quarter things got a little willing, both teams showed just how much they wanted it and there were boys absolutely smashing in at the ball. Thankfully we managed to come out on top, which was really nice for the boys.

Again as there has been all season some really fantastic individual efforts, but overall the most pleasing point of the game and the season is how the team has embraced playing for each other and not being too concerned about their individual results. At the end of the game the boys absolutely belted out the song louder than I am sure it has ever been sung before, I am sure it was heard back at the Golden Grove Football Club.

I would like just to say it has been a real honour and privilege to be involved with the team, thankyou to all the parents who braved the elements each week in getting their kids to training and the games this season.

And finally on behalf of the boys thankyou to Skye and Damon BROCK and Sam RICHARDSON for their assistance this season, you have been an integral part of the team for the season and with the parents the reason why the boys have done so well this year.

Under 10 Gold

Under 10 Gold finished off the season in extremely windy conditions at Gepps Cross. Not having played them this year we were unsure what to expect!

We were kicking with the wind in the first quarter and got plenty of the ball. Braden Carpenter started the game in great fashion getting plenty of centre clearances thanks to the great ruck work of Nathan Petrie. Corey Edwards also dominated a lot of the midfield work, and we had a lot of scoring opportunities, however we were not very accurate due to the blustery conditions. It took a great checkside kick by Tyson Walters to kick our only goal of the quarter and it looked like we may have blown our early chance with the wind.

Luckily we were able to outscrap them in the second quarter and we did not allow them to score even when they had the wind. We managed to get another goal thanks to some great team play set up by Josh Papps. As usual Owen Jarrad had a great quarter across half back, Thomas Glen was hard at it, keeping the ball in front and winning plenty of it. James Gray continued his great season and Tyson Karklis scrapped really well.

The third quarter opened up for us a bit. Matthew LeRay was unpassable at centre half back and rebounded the ball beautifully setting up plenty of opportunities. Josh Caldicott capitalised with a great goal under pressure, and Braden kicked a goal to see us dominate the scoring. Jordan Miller had a great game and it's great to see his confidence level growing each week. The only problem with this quarter was that we kicked about ten points instead of goals!!

The last quarter was a great effort as again we did not allow them to score with the wind. Kirra Lebessis took a great defensive mark to prevent a thrust into attack, and everybody just kept hunting the ball and not letting it out in space. Our tackling was great as was our pressure so in really tough conditions we played a good four quarter game of footy.

We had our final milestone game for the year with Nathan Petrie achieving 50 games for the Mighty Burras. Nathan's improvement this year has been outstanding, his enthusiasm at training and on game day is clearly one of the best in the group. It's been a pleasure coaching him throughout his career so far and I look forward to many more. Well done Nathan.

We have had an outstanding year with the kids this season. The improvement and development of all the kids has been just brilliant and the kids have been a pleasure to coach. I would like to thank Kym Gray for his assistance this year helping me out and also our team manager Coralie who does a great job behind the scenes. Thanks to all the parents involved in the team, your support is very much appreciated and we couldn't do it without your help.

Moving forward I really hope all the kids play at the club next year. If so I think we are going to have a couple of really strong teams in Under 11's and some real exciting times ahead!!

Under 10 Blue

Well, here we are. The last game for season 2017. *insert tears* Today we were captained by Riley and Matty. Vocally, two quieter boys in our team. Whilst at the same time, both keen jokers around the club! They love a laugh and razz up with their mates.

Both boys really love their footy. Riley is often requesting particular training drills for me to set up. He is a strong competitor, especially when he applies himself into a contest. It's easy for all to see, when he goes in hard, he inevitably comes out with the ball and the opposition is second best. Believing he can do this all the time is what we are working on. Riley got his hands on the footy a number of times and was rewarded for his efforts through the middle of the ground.

Matty is a young lad I see so much in. I'm always having one on one chats with him to open the belief. He is a strong kid, and deceptively fast. When he chases a ball in open space, he can get there first. Matty is a tough tackling machine and this was on show today. Well done Matty!

We had a number of players put in their best performances of the season. Mitchell was so poised when he effortlessly slotted through a goal in the last term. A major achievement for him and the team, as we were kicking against the wind. Josh and Zimmo saw out the year in fine form, both getting plenty of it. Richo, Baz, Lachy and Aussie were carving up off half back and through the centre.

Robbie and Rowsey impressed in rucking duties. Nate and Brodz winning the footy in the forward line. Haydos lined up for a huge shot on goal. Made the distance and was rough to hit the post for a behind. Mal was impressive throughout the match, for the second week running. But it was his best mate JT who put on the show. It was a blinder from JT. He started a bit nervously, with a kick out from defence which ended in a turnover goal. From there on in though, he owned it! Intercept mark, after intercept mark. Hitting up team mates down the field. Running the footy out of the back line. B.O.G 3 votes!

Such a great way for our Burras to finish out the year. Proud of each and everyone on you! #goburras

Under 11 Red

Wow! What a great season the boys have had. The year has gone so fast and it is great to see that the hard work the boys have put in has really come off. This week's game vs Athelstone at Harpers Field was shaped to be a very important match to enable us to cement second spot on the ladder.

Cael Gursoy (Captain) and Talan Cooper (Vice-Captain) won the toss and elected to kick with a tricky breeze. The emphasis was on getting the score on the board as we knew that second spot would come down to percentage, from the first bounce the boys were on fire. Tom Stevens started with the first ruck tap down to Tyson Hartmann who got the first clearance and hitting Harry Lawlor on the chest and before we knew it we had our first goal on the ball. Harry finished the game with 5 goals! Great game Harry! Kalan Weaving and Michael Tarzia were looking dangerous up forward creating some significant forward pressure every time the ball came in. On one occasion Kalan a strong mark straight in front then went back and kicked the goal with ease. Kalan finished with 2 goals in the first quarter. I was extremely impressed how Xander Mossop and Kaya Allan were attacking the ball, Kaya on one occasion grabbed the ball and was tackled solidly but with sheer determination busted the tackle and then hit Xander on the chest who went back kicking a great goal. Xander finished with 2 goals for the game. Great game Kaya and Xander!

The boys had done everything we had asked for in the first quarter and the scores at quarter time were Golden Grove 5 goals 3 points to Athelstone no score. We knew we had to play four quarters and the second quarter saw us playing into the wind. But regardless we played some good footy and it was particularly good to see the defensive efforts of our on ballers in Cael Gursoy and Lachlan Giles pushing back defensively ensuring that Athelstone did not get loose. Cael played an excellent Captains game. Well done boys! Jai Arnold and Danyle Dobie fought hard all day, the work rate in the middle has been improving each week and when Jai got the long kick forward and Tom Stevens marked the ball 30 Meters out we knew we had control of the game. Tom Stevens went back and kicked a critical goal. Great game Jai, Danyle and Tom!

We made a commitment in the third quarter they we would ensure that we finish the game off strongly and it was led by Josh Richter and Luke Scott who's blistering pace opened the game up. Josh laid an awesome tackling in the middle getting the ball and pinpointed the pass and it was exciting to see Luke run along the boundary line keeping the ball in like Buddy Franklin. Marin Barlow was able to take the ball inside the 50 metre line arc around and kick what was a very impressive goal and when Daniel Hewitt burst through the pack in the goal square kicking a big goal we knew we were ready for a big win. Declan Braybrook continued his good form, taking the ball cleanly and with his ability to run quickly and kick on his left foot, really does hurt the opposition team. Great game Declan! With Riley Sewell and Tyson Durdin dominating the middle, the third quarter really did look polished and there was a real feeling of finals like footy being played. Brodie Leisavnieks stepped up in the ruck, his ability to win every tap and then also get the ball at ground level really impressed me. Brodie also dominated in the forward line, but was very unlucky not to get a goal. Great Game Brodie! Talan Cooper was thrown onto the wing using his pace really took the game apart, not only did Talan play great football, but his voice and support for his team mates as Vice Captain really did demonstrate great leadership skills on the day. Alex Pengilly played great running footy, on a couple of occasions running and bouncing. Alex really has been improving each week and his attack on the ball was second to none. Great game Alex!

Overall it was a great game of football and could not be prouder of the way we played! To finish second in the minor round was an outstanding effort and the belief we have going into our first finals campaign is excellent.

I would like to thank all of the great parent support on the day. Particularly Tom Pengilly (Alex's Brother) who help setup and run our warmup drill and also Brodie Feltrin who ran water. Well done team! The list of support goes on and on, so thanks to everyone including: Jamie Dobie (Assistant Coach), Liz Stevens (Team Manager), Greg Cooper (First Aider), Stuart Giles and Shane Arnold (Boundary Umps), Michael Leisavnieks (Ground Marshall), Ang Tarzia (Goal Umpire), Gary Scott (Social Committee), Leanne Scott (Photographer) and everyone else that supported training, ruck drills training, Canteen duties etc. Great work sorry I haven't named the entire support group!

JLT SPORT GENERAL INFORMATION SHEET

Personal Injury Insurance

WHAT IS PERSONAL INJURY INSURANCE?

Accidents. We never see them coming.

But you can be better prepared with the right personal injury insurance policy.

Personal Injury insurance is designed to offer some peace of mind to members, participants, volunteers etc of an organisation by having protection for certain costs related to an injury sustained whilst involved in an Insured's activity.

WHAT IS GENERALLY COVERED...

- ✓ Physio
- ✓ Chiro
- ✓ Dental
- ✓ Ambulance transport
- ✓ Private hospital accommodation

WHAT IS GENERALLY NOT COVERED...

- ✗ Doctor's Fees
- ✗ Surgeon's Fees
- ✗ Anaesthetist Fees
- ✗ X-rays
- ✗ Public hospital costs
- ✗ MRI Scans

YOU CAN'T CLAIM IF YOU...

- ✗ Play against medical advice
- ✗ Have a pre-existing injury
- ✗ Are under the influence of alcohol or drugs
- ✗ Are involved in a criminal act
- ✗ Have a pre-existing illness or disease (i.e. cancer, heart condition)

QUICK NOTE

MRI scans are generally claimable through Medicare, however sometimes the referrer and/or provider is not registered with Medicare. In this case, you can claim through your Personal Injury policy.

WHEN DOES PERSONAL INJURY INSURANCE APPLY?

Personal Injury insurance provides coverage for injuries sustained whilst participating in an activity under the following circumstances:

- ✓ An official match or training session
- ✓ Travelling to and from an official club activity
- ✓ Participation in an official club function
- ✓ Tours or representative matches

WHAT COVER IS GENERALLY PROVIDED WITHIN A PERSONAL INJURY POLICY?

- ✓ **Capital Benefits** – provides cover in the event of death or permanent disability. Please refer to your Programme Summary for full benefit details and limits.
- ✓ **Non-Medicare Medical Benefits** – provides reimbursement for items that are not claimable in any way through Medicare. Due to legislation, this does not include the Medicare Gap.
- ✓ **Loss of Income cover** – (where included) provides reimbursement of a claimants' weekly income. Please refer to your Programme Summary for full benefit details and limits.

EXAMPLES OF PERSONAL INJURY CLAIMS

Capital Benefit – a participant loses permanent sight in one eye due to a ball hitting him. The claimant can claim for permanent disablement under this section.

Non-Medicare Medical Benefits – a participant requires a knee reconstruction resulting from a sporting injury. A claim can be made through this section of the policy for items not covered in part by Medicare.

Loss of Income (where covered by the sport) – Bill is a builder and is unable to work due to breaking his leg whilst playing. His loss policy for Match Payments if required.

HOW DO I MAKE A PERSONAL INJURY CLAIM?

- **Step 1** – Access a current claim form from the JLT Sport website
- **Step 2** – Complete all relevant sections of the claim form
- **Step 3** – Take the form to your club to sign Section B: Club Declaration
- **Step 4** – Submit your claim form within the required time frame
