Under 6 Green

The Green Kookies were away at Athelstone today in brutal conditions – the ground was spongy/boggy, the rain pelted down relentlessly and the temperature didn't get above 8 degrees.

So what did the Green Kookies do? They came (18 of 20), prepared, warmed up and went out to get the job done.

The first quarter was dead even, with Annelise kicking the first two goals and Jacob Frenchman having his best quarter of the season... picking up at least five clearances. Jarvis got on the board and Mason Maynard was on fire, with many kicks forward.

The quarter time break allowed us to regroup from Athelstone getting some scoreboard pressure late in the first. When we came out in the second, the rain really came down. Both teams started losing players, and our Kookies had only two playing defenders for much of the quarter. Not that we needed them, Caillin started getting some marks, Jacob Day kicked goals and got plenty of the ball in packs and Ethan started being able to throw his size into the contest to win the hard ball. By Half time, we had kicked some five goals straight.

Athelstone Coach came up to our huddle at this point and called the game; he had lost too many players to continue and the Green Kookies were left strong, resolute and fearless... ahead in play and ready to go on if required and finish the job.

Well done to all the parents that continued their roles – be it forward and defensive coach, Team manager, First Aid, or just supporting their child in testing conditions... you are a strong example to your kids of determination and commitment... cheers to you all!

Under 7 Blue

After a week off last weekend for the school holidays, Round 11 saw U7 Blue return to Harpers Field under lights on Friday night. Conditions were very tough to say the least with heavy rain all day and with the top oval water logged and no suitable space available we setup to play on the bottom oval.

School holidays and wintery weather during the week saw numbers a little on the low side for training. However, we had a good session where we continued to develop fundamental skills through some of our regular drills as well as incorporating a new drill focusing staying alert, improving ball skills and team work.

Leading into the game we had two boys unavailable and then another pull late which left us with 14 for the game. After a quick chat with the Para Hills coach it became evident that our numbers were quite strong as they only had nine. It was agreed that we have two boys pull on a Kangaroo's guernsey each quarter to ensure that we could have a game. Both of our regular assistant coaches Scott Launer and Darren Evans were unable to attend the game however we were lucky enough to have Lachlan's dad (Luke) and Kadin's dad (Scott) step up to take the responsibility of assisting to marshal the boys for the game. I greatly appreciate the support and assistance from Luke, Scott and others that helped out.

The focus areas that were highlighted before the game were: to man up, be competitive/first to the ball and to opt for smart kicks. For tonight's game our joint captains were Cooper and Cameron.

The game commenced under extremely cold and blustery conditions with a very strong wind favouring the southern end. After losing the toss earlier, we were kicking towards the northern end. Para Hills certainly got the jump early winning a number of clear possessions out of the middle allowing their forwards to multiple shots on goal early. This ensured that Cooper, Cameron, Ryle and Ben were all kept very busy. As the quarter went on our midfield was able to win clear possessions and move the ball forward. Austyn and Ryan donned the Kangaroo's jumper and both won some clean possessions against their usual team mates.

Quarter time came and which gave the boys a chance to grab a drink and try to warm up. It was pleasing to hear when I asked the boys what we weren't doing, they all responded with 'Not manning up', I encouraged them to man up tighter as when we had the ball we were able to control the play. Rotations completed and we were ready to go for the 2nd quarter. As the quarter commenced, the conditions certainly weren't improving. Sam, Brandon and Louis were all busy in the

midfield winning possessions and able to kick deep into our forward lines were our forwards were able to have a number of shots at goal. Cooper was able to kick truly and score a goal after some great team work to move the ball forward. Down the other end of the field Blake, Jamison, Joseph and Kadin were busy defending tightly as well as winning possessions to move the ball forward. Ben and Lachlan wore the Kangaroo jumpers for this quarter with both appearing to have a lot of fun.

Half time came which gave all involved to grab a drink an orange as well as to try and warm up a little. As the 3rd quarter commenced a heavy shower passed over which made conditions even more difficult. Good team work from the boys in the midfield early saw our forwards see a lot of the ball which allowed us to have a number shots on goal including one from Lachlan who received a handball and then was able to run in and kick truly to score his first goal for the season. It was certainly pleasing to see more handballs to our game play to move the ball on and bring other into the game. Blake and Rylie were filling in for Para Hills this quarter and were both busy for the entire quarter for the Kangaroos.

Three quarter time came and the conditions were still extremely tough although the rain had cleared away. As the last quarter commenced Blake and Kadin were busy winning a number of possessions in the midfield to send the ball into our forward line. Cooper, Ryle and Cameron were all busy in defence, Ben won a number of possessions choosing to handball to move the ball on. Down the other end of the ground Austyn, Brandon and Louis were very active in the forward lines. Sam and Joseph were wearing the Kangaroo's jumpers for the last quarter and both were very busy winning a number of possessions against their normal team mates. As the final siren blew, we congratulated the other team for a great game and then sang the club song.

Today we played in extremely tough conditions but it was pleasing to see that we again showed some great team football. To think that this was just our eleventh proper game as a team makes this even better. When we stick to our game plan and work hard for the entire game we can be more than competitive with even the more experienced teams. With four games to go we have the opportunity to continue to work on developing individual skills and our teamwork at training so that we can be prepared the best we can for the remaining games.

Our next game will see us on the road to Pooraka to play under lights on Friday night. GO BURRAS!

Under 8 Blue

Well since we had our game abandon at three quarter time it's not really worth doing a match report but I will let the everyone know on our two team bonding session last week.

Our first one was on Wednesday at the Crows training session we had about 10 players turn up to watch the Crows trained. The boys had fun while we had to wait for the gates to open. They kicked the ball around in front of the Crows Shed, then line up for a show bag and a hat.

Once the gate open we found our seats and watch some of the training. We notice Nathan van Berlo was signing stuff so myself and a few boys leaning over the race wall and we were lucky enough to have him sign all our merchandise, the boys seemed happy to have a champion player sign their stuff.

A few of the boys then line up at the top of the race to receive high fives from players and coaches to top of a good day.

Our second team bonding session was on Thursday night instead of training at the club I thought I would mix it up a bit and have the boys do something different and hopefully have some fun at the Golden Grove Boxing Club. The boys were put through their paces with some skipping, squats some core strengthening exercises. Then they got into some boxing combinations with a punching bag then some push ups and sit ups, at the end of the training the boys were pretty tired after the one hour sessions but they all enjoyed it which was the main thing. Apparently a few boys complaining of saw muscles the next day but it didn't stop them playing on Sunday as all of them played really well in trying wet and windy conditions.

So if your looking to do something different with your team this season or next season I recommend calling Brian Casey at Golden Grove Boxing Gym at Tilley Reserve 0434928985.

Under 8 Gold

Golden Grove Under 8 GOLD Vs Athelstone - we knew the Raggies were a pretty skilful side, we were coming off the bye and with limited training.

Last Friday night was another cold one. The weather had threatened all day and only an hour before the game, the ground was flooded from a tremendous down pour. Luckily the water had dissipated just in time for The Mighty Kookaburras to take the field.

We were down on players with school holidays still going, we had no one on the bench again. Craig Bradshaw and The Super Dads got proceedings under way with another terrific warm up for the team. Jayden Jackman was skipper for the day. We left him to make his own decision as to which way we started – good luck Jacko!!

The team came in to have a drink before play and to read the team sheet out. Jacko came in, 'We're kicking to the northern end'. Righto, we've had some good time off and now we need to switch on. The Raggies were towelled up by the other Golden Grove side in Green earlier in the year, so they'll be coming out fighting against us. We need to be tough, we need to be hard, we need to be fierce; Who's Golden Grove Under 8 Gold?! WE ARE!!!!

The first rucks went at it – Athelstone were prepared. We were asleep. They pressured us, they beat us to the contest, they played in front and shared the ball as a team – all the things we should be doing!! Half way through the quarter we managed to claw back some respect from Alby Bradshaw leading the way in the guts with some forward entries. Ajay Visnyai up forward was doing his best to keep us in it along with Kyan Smith who's really stepped up in recent weeks. Lachlan Anderson down back always starts well. We needed a defender to stand up and be counted - he was our man. Emily Schulz got inspired and started playing in front and showed the rest of the team how to do it.

Quarter time couldn't have come any quicker – we were under fire. Knock, knock, knock!! Hello, anyone there?! Are we awake yet?! Come on Kookaburra's lets shake this off and start the next quarter like we mean it. Let's go!!!

The second quarter started and it was much better. Caleb Zanker was smashing in and getting plenty of touches in the centre. He showed how it was supposed to be done, so Sammy Carter matched his effort and got physical too. Harry Slater again found some good form with his solid effort this quarter. Up forward Bailey Casey steaming down a one way street – straight for goals and put a few through the big sticks and Rylan Whitwell is showing his great goal sense and adding yet another to his tally.

Half time came in the nick of time as it started to rain but we felt much better about ourselves. The temperature had just dropped about 10 degrees and the team was shivering under the pergola. We need to stick at it Kookaburras, one big half of footy to go. Come on!!

The third quarter was again a good one for us. Plenty of shots on goal with some good conversion from Hamish Pullen who'd missed out playing up forward before the bye – so he made the most of it. Great work Hammer!! We welcomed back Riley Rosenberg from the little break – get in there and get it Riley, be tough and rough little fella; so he did! Nate Atkinson in full skins had a nice run and carry in the centre this quarter with a delivery into the forward lines that resulted in another six pointer.

Three quarter time, the team looked like they'd had enough. We'd been running games out very well before the bye. Can we hang on for another quarter Kookaburras? Have you got it in you? It was worrying signs. We were all over the place, some under towels, some rolled up in rugs, one tried warming up with hot chips and a chiko roll. Craig Bradshaw and The Super Dads had the task again of selecting the side for the last quarter. Geez, the forward line looks potent!! The team reluctantly took their positions for the last quarter.

As the rucks went at it, it looked like the spark was gone. The Raggies were all over us. They were blasting their forward line and playing in front. We were caught behind on many occasions. Luckily their goal kicking isn't as good as ours. But all of a sudden there was a spark after all. Mitchy Webb who was completely frozen through and was beginning to resemble a robot with his stiff movement, managed to break free for a second and get the ball down to the skipper Jayden Jacko Jackman who slotted a much needed big sausage roll. We kicked a couple more in the last but The Raggies had all but caught us in the end in a close one.

In summary, it was just one of those games where we were clearly the better side, but just didn't play as well as we can – that's footy. We managed to stay competitive when it really counted. But there's plenty to work on this week.

We've got the mighty Hawks from Modbury on Sunday so we'll need to bring our best effort. We know they're a really tough side that doesn't mind throwing their weight around. Maybe that's just the trick for us, a tough game to get us back in the swing of things. Bring it on I say!!!

Who's Golden Grove Under 8 GOLD?! WE ARE!!! Go Kookaburras!!!

Under 9 Green

Round 10 vs Salisbury at Salisbury - This round the Green Machine headed to Salisbury for our last game before the school holiday break. The weather didn't look great but the boys were keen. Thankfully the rain stayed away however it was extremely windy which presented a bit of challenge for both teams with balls going back over the boys heads at times when kicking into it, clearly there was one dominant scoring end for the game. We kicked with the wind in the first and third quarters and they were our only scoring quarters.

It was a hard tackling game with both teams keen to get the ball. The first quarter was a tight quarter with one of the highlights being Louis showing off his skills keeping the ball in play whilst working it down the boundary line.

The second quarter was all about defensive effort and the boys combined well to limit Salisbury's shots on goal despite them kicking with the wind.

In the third quarter we kept the ball in our forward half for the majority of the game with Jace defending hard whilst the boys from defence set up the wall across the centre and didn't let the ball get through.

Once again the fourth quarter was all about defence and limiting the scoring opportunities for Salisbury. At the end of the day the boys fought hard against their opposition and the weather. 1, 2, 3 Green Machine

Scorers: Zach 4.2, Jordan 1.2, Mackye 1.0, Ryan 0.1

Round 11 vs Ingle Farm at home - Under 9 Green had a Sunday morning home game against Ingle Farm and once again the weather was not looking favourable – the weather hit just as the game started.

The first quarter was an awesome display of team work and great skills in the wet. The boys were not discouraged by the windy and wet conditions and were working extra hard to stay warm by getting in the packs and fighting for the ball. Great teamwork saw the boys run the ball into the forward line and give themselves the opportunity to kick a number of unanswered goals.

The second quarter was more of the same however the boys were getting wetter and muddier than usual, their faces and fingers were so cold but they didn't complain and they continued to play hard with more of the same attacking plays.

At half time Ingle Farm decided they didn't want to continue in the weather and called it a day. The umpire was happy to continue umpiring a scratch match between our 20 dedicated and tough boys. The Green Machine continued to play hard and only after the hail started and the umpire called the game off did our boys leave the ground. We are all very proud of you for giving it your best in what was terrible conditions! 1, 2, 3 Green Machine – Well Done Boys!

Scorers: Due to the weather this was a little hard to record so our apologies!

Under 10 Gold

This week's match was against Modbury Gold at Harper's field on a wet and cold day. Jayden Camilleri to the field as Captain and Brodie Leisavnieks as vice-Captain. It was disappointing that Modbury were only able to get 12 players, but neither the less I was more than proud to see the great sportsmanship displayed by the Burra's when all players nominated to fill in for Modbury did so with no hesitation. Every player who filled in for Modbury played great football and led from the front. Special mentions to Zach Pope, Danial Cowie, Danyle Dobie, Jackson Ray, Tom Stevens, Daniel Hewitt, Ben McGregor, Talan Cooper, Jayden Camilleri, Wyatt Dymmott, Isaac Luders and Alex Pengilly who all filled in for Modbury during the match.

The first quarter started with wet weather footy and it was extremely pleasing to see that the skill level did not drop and our ability to continue to do what we have been practicing at training. Cael Gursoy started in the ruck with a huge leap Cael was

winning every tap and hitting the ball straight down the throat of our on ballers. Cael not only played his best game of the year with great tackles, but finished with an outstanding goal from a tight angle. The first quarter had Riley winning the ball out of the centre tacking the ball from the ruck tap and handballing to Burra's out of the pack. Joshua Richter was leading from the front all day, Josh was particularly impressive the pressure he applied in the forward line. Modbury backline new that they had to be good to get pass Josh, Joshes ability to affect the smother and lay great shepherds was outstanding. Great game Josh! Talan wasn't particularly well, but his determination to play did not stop him getting the ball in the first half. Talan's ability to get to the ball first in the contest was excellent and the right call was made for him to rest at half time to ensure his cold didn't get any worse. Tom Steven's was on fire all day, his ability to run hard and get to every contest was brilliant. At one stage it was impressive to see Tom make a really great decision to do a small kick forward under Modbury players to get the ball out to Xander in the clear. Xander played another great game kicking a couple of goals and passing off another couple as well. Xander's ability to get around players with speed has been outstanding. Great work Xander!

The second quarter was just as impressive kicking into a strong breeze the skills were maintained and it was Zach Pope and Alex Pengilly that constantly got the ball out of the middle. Zach work hard kicking a great goal on the day and Alex's strength at the contest demonstrated how strong he is at winning the hard ball. Isaac Luders and Danyle Dobie took some great marks around the ground, with strong voice and the ability to run in the right positions really showed on the day. Danyle Dobie particularly stood out when he filled in for Modbury and at one stage the Modbury coach requested him fill in for the entire day. Tyson Durdin played a real leadership role for the team with his clear decision making on when to pass to a team mate or when to take the shot for goal. Tyson's big marks, hardness at the contest and team play was excellent. Great game Tys! But it was Jayden's day! Jayden played a great captains game leading from the front. Jayden filled in for Modbury and in the second quarter received a free kick on an extremely tight angle, he looked up to pass, but there was no one free, so it went back and slotted it straight through the middle on the half time siren. It was unfortunate that late in the match Jayden flu through the air for a big mark and the ball slipped through crashing into his nose. Hope you are ok Jayden!

The third quarter continued the same and it was extremely impressive to see the boys link up play from the back of the oval with Tom kicking long to Tyson who then hit Brodie on the chest and then Brodie hitting Jackson Ray on the chest directly in front. Jackson Ray stepped up his game in the third and was a dangerous forward, his attack on the ball was first class and his ability to work up the ground showed real mature play. Danial Cowie was also instrumental in getting the football and it was great to see the ball come flying into the forward line and Danial waited at the front of the pack crumbing the ball perfectly and finishing with a great goal. Brodie played in the ruck in the third and it was Brodie's ability to kick long and deep to advantage that gave the Burra's first use of the ball in the forward line. Brodie demonstrated how much he is improving at moving up and down the ground to support team mates in trouble. Great game Brode's! Ben McGregor was playing a tough match all day his ability to man up and on occasions take on two players at once has been excellent. Ben is a great team player!

The fourth quarter continued and it was Seth Lewis-Christie and Daniel Hewitt both played their best football for the season. Both players attacked the ball hard and used raw pace to get around opposition players. But it was in the fourth quarter that the team was determined to get Wyatt Dymmott a goal. Getting a Wyatt a goal was important as this meant that all players this year had kicked a goal. Wyatt was already playing a great match running and tackling hard, but when the ball got kicked into the forward line and Daniel grabbed the ball dodged around a couple of players and kicked the ball onto Wyatt's chest. Wyatt then went back like an old pro an easily kicked the goal. The celebration was great and it was awesome to see the smile on Wyatt's face. Overall it was a fantastic team effort and the skills that the boys have been displaying has been great. I look forward to seeing what we can achieve by the year end.
