AUSKICK

Week 2 - with the rain we had during the week and constant drizzle whilst setting up and all the way up to the start time, I would be lying if I didn't say I was a bit concerned as to how many were going to attend.

Cambell the Auskick Coordinator was adamant the kids would still attend, and they did. Again, a huge turnout, the carpark was packed and the kids were revved up for a big day. There were plenty of Crows and Port Guernsey's on display during the session in anticipation of the big game later that night.

This week the players took part in only two individual sessions in their groups before we broke off into games.

A big thankyou to the parents who assisted with getting the players into Golden Grove Guernsey's prior to the game which looked fantastic. There were a few tears as favourite numbers weren't available, but I think once the players saw their mates in the Golden Grove tops everyone got on board.

The games turned out to be as we expected, the kids ran crazy all over the place but there were some great skills on display which was fun to see. Kooka the club's mascot attended and took a couple of marks and even got a kick, the kids faces were fantastic when they saw Kooka for the first time. A special thanks to Rick from Rain and Horne for coming out, we hope to have him out again in a few weeks' time.

At the end of the day Kooka handed out Milo packs to the kids and sent them on their way, thanks again to the helpers on the day and we look forward to seeing everyone out next week.

Week 4 – Another great day, the last couple of weeks Cambell the Auskick Coordinator changed things up a little after receiving some feedback and we went with only running three individual activities before breaking off to take part in a 6 v 6 game for the remainder of the day.

This we believe has provide to be a great change and we will be running with this format for the remainder of the program. We have also changed things up with the kids putting un the Clubs Kookaburra Guernsey at the start of the program which looked fantastic, the kids seemed to get a real kick out of it we will be doing this for the remainder of the program.

The kids went through the warmup with vigour and then broke into Angry Ogre, Rob the nest etc which was fun and thanks to the fantastic parent helpers on the day without you none of this could get done.

The games were fantastic, and I think most kids had a great time there were a few tears but overall I think everyone got at least a couple of kids and handballs. With only a few weeks to go and a break in between for the long weekend its amazing how fast this has gone.

Under 9 Blue,

This week we played Gepps Cross at Gepps Cross's home ground and it was always going to be an important match. Playing for our Mothers on Mother's Day was certainly a big incentive for the day.

Noah Garcia led the team onto the field as captain winning the toss and kicking to the southern end on a drizzly rainy day. Noah played a great captains game winning the ball out of the centre regularly getting the ball forward, Noah played outstanding football all day. Great game Noah!

We knew that we had to get a score on the board and it was Brodie Christie and Taylor Elliot that were working hard at the bottoms of the packs getting the ball forward to Alex Giles who very quickly snapped the ball from 15 meters out to get our first score on the board. Alex particularly played a key role in the 3rd quarter played an important role in defence marking and stopping everything that came his way. Great Game Alex!

The 2nd Quarter was just as tough a contest as the first quarter with both teams not scoring easily. We had recognised that we needed to improve our defensive game and it was Mason Easter and Jack Farnden who showed the importance of manning up and playing a selfless game to ensure that Gepps Cross did not score. Jack Robbins and Jacob Kenna stood tall all day, both players desperation to get into the right position was outstanding and Jack's tackling on the day was brilliant! Well done Jack and Jacob!

Half time came quickly and the coaches Instructions were to ensure we played in front. The determination in the boys eyes was excellent and there were some brilliant passages of play that allowed us to take the lead. Isaiah Valaldian continued his good form when he picked up the ball on the run and ran through the middle of the ground with a pinpoint pass to Ethan Hewitt and with an excellent shepherd from Jobe Launer on the goal line saw the ball through for another goal. The team work displayed on the day was outstanding. Isaiah, Jobe and Ethan all kick great goals on the day. Great games Isaiah, Jobe and Ethan.

The pressure remained high and although Gepps Cross had two scoring shots our pressure was outstanding. It was when Gepps Cross was making good ground forward and looking dangerous that Brendon Scholefield slotted in front of the opposition stealing a certain mark from his opponent allowing us to drive the ball deep forward. Brendon also made a couple of desperate tackles resulting in a great goal in the last quarter. Great game Brendon!
When Will D'Agostini nearly pulled off a huge mark in the forward line we knew we were playing well. Will fought hard all game and his improvement in attacking the football and making the contest has been excellent. Well done Will!

But this week the stand out performer was Levi Wallis who dominated around the ground working hard at running the ball along the wing getting long kicks into the forward line. On one occasion Levi kicked a great goal in the final quarter when it was not allowed due to a free kick given to opposition. Great game Levi!

Overall it was an excellent performance from the boys and even better when all the Mothers joined to circle to sing the club song loud and proud. A special thanks to Jen Scholefield for capturing some great photo's on the day and to Kat Elliott for the special mother's day gifts for all of the mothers.

Goals - Ethan Hewitt 2, Alex Giles 2, Jobe Launer 2, Isaiah Valaldian 1, Brendon Scholefield 1,

The Reds hosted Salisbury FC on Sunday afternoon at Harpers Field. Being Mother's Day, we wanted to make sure that we put on a fantastic performance for all the great mums in the team. We also celebrated Cael Gursoy's 50th game for the club.

The boys played well all day, showed some great team work in passing the ball around and being selfless with passing the ball off for others to score goals.

We were able to mix the team around whilst maintaining our focus of effort and game plan. The boys did extremely well all day and finished the game with a big result.

The Reds were away to Salisbury North FC on Sunday afternoon.

The boys continued on their winning way this week with a big result, we got off to a great start with a 9 goal first quarter. Our new ruck combination of Ethan and Jai were dominant all day in the middle and gave our midfielders first look of the ball all day!

From there we swapped the team around but continued to work hard and play well all day. Again we saw some great team play throughout the day which is very pleasing to see. Our defensive effort again was excellent!

Well done boys on another great attitude and effort towards the game.

A big thank you to Zac Pope, Kaya Allan, Michael Tarzia and Louis Switala for playing their role within the team and all making solid contributions, great effort.

U9 Gold – Season Summary

What a great 5 weeks of football!

The **under 9 Gold team** are becoming stronger and tougher with every game they have played this season. This is the first year of tackling and the players have grown closer as a team and work together well. They are a strong unit of footballers who have only lost one of their games by 1 point and that was because of a lack of straight kicking on the day.

Highlights thus far:

Tackling – Brady Borgas and **Noah Hunter** have laid over 16 tackles each in the last 5 weeks.

Goals- Henry Brown has scored over 12 goals for the season so far. **Reuben Slater** is not far behind him with 8 goals for the season.

Marks – Declan Kells has taken 30 marks for the season thus far.

Hand Passes – Dane Braunack has made over 10 hand passes to team mates for the season.

Points - Mitchell Weaving has many goals but the highest amount of points for the season with 8 near misses.

Speed – Ethan Dempsey has put his foot down and shrugged a tackle 8 times throughout the season.

Ruck – Eli Peterson has tapped the ball down to our players over 30 times throughout the season.

Riley Pilgrim's best game was against Golden Grove Green with 4 kicks and 4 handpasses, so too was **Hunter Edwards** who took a fabulous mark and kicked the ball three times. **Ethan Heyne** also played a consistent game against the green team with 2 tackles, 2 kicks and 2 handpasses. **Owen Doyle** also shone in that game with 5 kicks, 3 handpasses and a goal. This was a big game for Gold because Tyler Graham also had his stand out game with 3 tackles, 3 marks, 5 kicks and 1 handpass.

Dylan Farrelly played a great game against Gaza with 4 kicks, 1 goal and 1 point and **Benjamin Van Iaden** played his best against Modbury with 2 tackles, 1 marks, 5 kicks and 1 goal 1 point.

As you can see, we have had a great start to the season with some fantastic stats. Keep it up **Golden Grove Gold**.

U10 Blue – Season Summary #1

This preseason the focus was to improve the boys overall fitness with a number of running sessions as well as strength sessions with medicine balls, it was great to see all of the boys putting in and trying their best. This season we welcomed a few new boys to the 'Blue' team with Cooper Lane, Kai Smith and Kye Winter – it has been very pleasing to see all of the boys welcome the new lads into the team.

After a number of weeks of some solid training, it was great when our first trial game against Tea Tree Gully came around in late March. The Friday prior to the game, we had our jumper presentation and team dinner. A special thanks to Judd Morris (A Grade captain) who spoke to the boys and presented them with their jumpers for season. It was great that Judd was able to share his footy journey with the boys and just how much the GGFC means to him. For our first trial game we had a few boys that were unavailable, however playing on the top oval in almost perfect conditions it was a really solid game and a great opportunity for the boys to get into game mode. With the help of Brodie and Brayden (U10 Gold) we organised an internal trial game to further tune things for the season ahead. The boys certainly loved the opportunity to play another game and gave us an opportunity to practice structures that we had been practising at training.

After a long preseason and a couple of trial games the boys were ready for the season, unfortunately Austyn sustained a serious finger injury at school and was unable to train or play but it was great to see him constantly at training and helping out where he could.

Round 1 we were on the road to play Eastern Park – it was great to see the boys come ready to play from the first bounce, Eastern Park put up a strong challenge for the entire game and it was good start to our season.

Round 2 saw us play under lights at Harpers Field against Ingle Farm. From the start of the warmup it was clear that the boys were ready to play and the enthusiasm certainly continued into the game with a very impressive game from the boys. It was pleasing to see the boys incorporate a number of drills that we had been practicing at training into the game which ensure the scoreboard was continuing to move.

Round 3, we were on the road to play Angle Vale, the message to the boys before the game was to continue on from our last game and after a tight first quarter the game opened up and we were able to move the ball with some nice run and movement. Another really good team effort from the boys.

Round 4, saw us come up against U10 Green in a 'GGFC Showdown'. Conditions were unfortunately far from ideal with persistent drizzle for most of the game. Whilst the conditions and some great defending from both teams restricted the scoring the game however was a great spectacle of junior football with some very solid tackling and great skills. The game was played in great spirits and it was great to see both teams joining together to sign the song after the game.

We have had a very positive start to the season and looking forward to the upcoming games.
Go BURRAS!

U8 Gold Weekend Wrap

The U8 Gold Mother's Day preparations started on Wednesday night with the boys making Gold Pom-Poms for our mums to wave around during our weekend match via a secret post training art and craft session in the change rooms.

The Mother's Day gift was well received with the boys handing them out just before kick-off with our Kooka-Mummas waving them in support of both GGFC teams.

Pre-game our midfield rotation were singled out and had some last minute practice and it paid off with some great teamwork between Alessio, Ayden and Will working together seamlessly reading the ruck taps and being at the fall of the ball already on the move towards our forward line.

Our players up forward didn't disappoint and rewarded the midfield team play by creating space, calling for the ball and finishing off with some accurate kicking.

Jacko "The General" was an absolute defensive demon last season and has proven over the past couple of weeks that he also has a passion to kick a goal, bagging a number of sausage rolls each game but this week he blew away this average coming away with a massive haul of 6 goals and 1 point during his time in the forward line.

Little Kaffas possibly had one of his best games, working with his teammates and positioning himself in all of the right places including a spectacular handball interception that was a big crowd pleaser and even managed to sneak in a sideline chocolate cupcake whilst being rotated off the ground.

Although we had some cooler conditions and morning drizzle lingering around, the skills that were being put on show were exceptional with all players attacking the ball with hands out in front whilst marking, also consciously utilising the drop punt to transport the ball to their team mates and ultimately between the big white sticks.

We have players being attentive and actively monitoring the ball, reading the play and positioning themselves in the best position not only for their own stat count but also for the good of the team, with players ready for the next two ball transitions creating options via running into space.

The growth in our team this season has been exponential with all players stepping up to the challenges that have been put to the group. The boys are always eager to learn new skills and excited to take on these challenges which not only makes coaching this team easy, but an absolute pleasure.

Scorers: Jack Hartwell 6.1, Max Johnson 3.0, Ayden Kaftan 2.2, Mason Smart 2.0, Aiden Wilkinson 1.1, Alessio Musolino
