## *Match Report – Sunday 23<sup>rd</sup> August 12 Girls Gold*

The weather certainly looked dubious as we arrived Sunday morning, but the weather gods were kind and it was positively balmy as the siren blew.

The first quarter saw fabulous kicks from Miley and Satine, with a great mark from Miley. Fantastic goals came in quick succession from Miley and then Charlie, who scored another goal following on from a great kick from Jordan. The first quarter saw great defensive work from Tayla and the team.

The second quarter saw some great tackling from Jordan. Miley had a fantastic kick that resulted in a point, which was a little controversial.... I am not sure the goal umpire asking the players what happened was textbook? Solid play from Jordan and great mid-field support provided by Chelsea, followed by a great kick by Sway and a superb goal from Satine. Miley grabbed a well-deserved point, followed by a superb kick from Ruby. Makayla and Amelia provided awesome support, which Satine then followed up with a well-deserved goal.

Early on in the third quarter, Jess was unlucky not to score, with Chelsea grabbing a couple of points for the Burras. Satine did an impressive run and bounce, with Jess providing great support in defence. The team then had a great push forward, which Sway capitalized on by rewarding the team with a goal. Some impressive tackling from Alana saw Charlie score a point. Hayley stayed on top of the opposition, whilst Alana displayed great kicking with Jess receiving a delightful mark. Chelsea was very unlucky to receive a point when her goal-scoring kick brushed passed the opposition.

Alana started us off strong in the last quarter with a great goal saving tackle with solid support in defence from Hayley, Chelsea and Charlie followed by a confident catch by Sian. Ruby and Antonia displayed great support and determination, with another great catch from Jess.

Congratulations to the whole team for a fantastic match that was a pleasure to watch.

#### U8 Gold

On Sunday morning, U8 Gold welcomed Payneham Grey to Harpers Field. Despite a few showers on the way to the ground, we managed to avoid the rain during the game.

This week was a bit more special as Sam Switala celebrated his 50th (+1) game for the Kookaburras. A fantastic achievement Sam! It was the kids first experience with a banner and most of them navigated it well.

Sam obviously read the script because our Captain for the game also slotted the first goal within the first minute. After a promising start, Payneham got the upper hand for much of the quarter, winning the contest and driving the ball forward.

The second quarter was a more even contest. Miles opened his account with a super running goal. Tyson followed up his own ruck work to kick another much needed goal, before snagging his second moments later.

The team started to gather confidence against the bigger opposition in the second half and in patches were able to string some nice ball movement together. Shaylee was our team's sole goal scorer in the third quarter. After missing one shot on goal, she showed great fight to regain possession and ran into an open goal.

The team was asked to fight it out in the last quarter and they finished off well. Andy had a purple patch with two goals, including a tricky knee/shin kick, and Jack chimed in with one also. This was the third Payneham team we've played in the past four weeks and they were easily their best side. We battled hard all day against some bigger and stronger bodies but Payneham was too good on the day. Two weeks of the season remains and we come up against two Modbury Hawk's teams.

Let's finish the season strong! Go Burra's!

### U9 Gold – Round 10

Round 10 saw us come up against a very strong Hope Valley team under lights on Friday night.

The clashes between our teams over the past couple of years have been quite physical so there was a lot of preparation which went into this week.

Hope Valley made a quick start by clearing the ball from the initial ruck contest and slotting through a goal within the first couple of minutes. Our boys seemed somewhat shellshocked as our opponents finished the quarter with 5 majors and we were held goalless.

We talked in the huddle at quarter time about being first to the ball at the contest and getting the front position by working harder than our opponents. To the boys credit, they lifted their work rate and began winning the ball to give our forwards a chance.

The boys should be proud of their last 3 quarters as they were able to hold Hope Valley to just 2 goals after quarter time.

Some notable performances and highlights on the night was Noah's grunt work in the midfield, Mason's controlled attack on the contest, Brodie's tackling in the 4<sup>th</sup> quarter and our ball movement across the last 3 quarters.

Goal Scorers: 1.2 Oliver Fraser, 1.2 Mason Smart, 1.1 Ayden Kaftan, 1.0 Max Johnson, 1.0 Alessio Musolino, 0.1 Noah Bache, 0.1 Jack Hartwell

### GGFC Under 7 Green – Coach Dan Brook

On Sunday the 30th of August 2020, the GGFC U7's Green took on Payneham Norwood Union at home.

To the kids' credit, in what was our first wet and windy day of the year, they still had fun chasing the ball, getting lots of kicks and racking up some great goals.

There was an even contribution across the whole team against what was a much bigger and quicker PNU team.

All the kids have given a great deal of effort across the modified season and adapted well to being part of the footy club. With only two games to go we look forward to seeing what we can achieve together. There is no doubt the season has been as rewarding for the parent group as it has been for the kids.

This week we head to TTG for our final Friday night game of the season under lights. I am sure the kids will bring the same amount of effort they have been doing all season.
