U9 Green Round 3 – 9th May 2021 Mothers Day

Happy Mothers Day to all the mums out there, we had a lucky early morning game with no rain. Our Under 9 Green kids were at home and hosted Payneham and it was a well played game by all our players. Special mention to Tommy Goreing who played so very well dancing around the competition and to Ollie Brooksby, both players had a lot of the footy today.

Great all round efforts too from our team and a strong song with the mums at the end of the match. After the first 3 matches at home we head away next week it will be great to continue to test the growing skills of our team against Modbury.

On Mother's day the Under 13 Girls White team travelled down to the paddocks to battle Para Hills. Over the full four quarters, all of the girls again demonstrated a 'NEVER SAY DIE' attitude and work ethic, but unfortunately still couldn't quite come away with a win.

Our defence stayed rock solid for the whole game again led by Georgia & Camryn who were particularly outstanding. Our Midfielders, including our Wing's were also very good, led again by Captain Ruby who continues to lead by example and was in every contest.

Bella was our best on ground, dominating in the ruck all around the ground and was also everywhere providing support & options for her teammates. A thank you must also go to the RED's Lilly Davey & Caddy Hussey for filling in while we're still plagued with some ongoing injuries, both girls providing excellent contributions and valuable on-field support for the rest of the girls.

In all it was another week of outstanding effort & great improvement across the board and if the girls continue to display the same positive attitude, work ethic & commitment to the ball, then a win won't be too far away.

U9 Gold travelled to the picturesque Foxfield Oval on Mother's Day to take on the Raggies.

Tate was Captain for Round 3 and this game was a hot contest from go to whoa. Oscar started the game on fire collecting many touches through the middle and Ethan, Tate, Archie and Jack were standing up well against plenty of forward entries from the Raggies. The boys had plenty of ball themselves but couldn't quite put it through the big sticks. It's always pleasing to see the boys take the game on but the Raggies were up to the task and got us holding the ball a few times. After a goalless opening term, we managed a couple of majors in the second, both courtesy of Finn including one long bomb, and Jack chimed in with a long bomb of his own in the third. Some great passing by foot, players leaping for marks and multiple tacklers were highlights.

The first three quarters were evenly matched and a low scoring affair. It was a credit to the pressure both teams were putting on. The boys played with intensity the whole game and were challenged to go on with it in the last, which they did. The ability of Oscar, Myles, Kaiden and Taylan to keep the ball in our half for most of the quarter was giving Jackson, Tyson, Riley and Andy a chance to score. Tyson and Jackson managed one each in the last, both great running goals. A few late presses from the Raggies were held up by the solid Ethan, Tate, Finn and Sam defence.

The boys are really starting to embrace the extra physicality this year with the introduction of tackling. There's been some bumps, bruises and tears as a result, but their determination to continue soldiering on for the team has been impressive. And to still see big smiles at the end of a tough game like that makes it rewarding to be part of. After the game, it was great to see the boys grab their Mum's to help belt out the song on their special day.

ROUND 3 – U11 – GEPPS CROSS V GGFC RED

This week we played Gepps Cross at Gepps Cross on an unusual day that started with rain and ended up very warm. We had spoken before the game about how important Mother's Day is and how we wanted to make sure that we played a great game for the U11 Mothers.

Henry Brown led the team out as captain this week with Lachlan Lam as vice-captain, the boys won the toss and we started kicking to the northern end. Henry had a great game showing true leadership and strength at the footy particularly when playing of the half back. On many occasions Henry's work rate was outstanding winning the ball and running the ball down the ground linking up good handballs. Great Game Henry! Lachy Lam also played a great leadership game, playing in front of his player at all times. On one occasion Lachy took a great overhead mark and when he could of kicked the goal passed it off. Great team play Lachy!

The first quarter was a tight contest Gepps Cross were hard at the ball and our on baller's Ethan Hewitt and Alex Giles that were working hard at the bottoms of the packs tackling hard and getting handball out to our running players. Alex kicked 2 important goals in the first quarter. Well done boys!

The game was being played at an excellent pace and we knew if we could get the ball into space that the game would open up for us. It was Owen McKenna and Reuben Slater that were able to get the long kicks out of the packs and it was exciting to see Ethan Dempsey and Mitchell Hicks use their blistering pace to move the ball down the ground. Ethan was able the use his pace dodging around a couple of tacklers to kick a great goal for the game! Well played boys, Ethan and Mitch kicked their first goals for the season and Owen finished with a great mark and goal as well!

Although we had played a good first quarter we knew that we needed to keep the work rate up, it was great to see Brady Borgas control the centre of the ground. Brady's tackling efforts and hard work around the ground was pleasing to watch and it wasn't long before Brady kicked his second goal with a great leaping mark. He then went back and slotted it straight through the middle!

It was very pleasing to see the strong efforts in the ruck, we had been focusing on how we can get the ball out of the middle more efficiently at training and Eli Peterson and Zac Eime really stepped it up this week. Both boys were unbeaten in the ruck, tapping the ball down to our running players straight onto their chests. Eli's kicking was perfect, with big long kicks hitting our forwards on the chest all game. Zac had another cracking game with his fierce determination focused at the footy saw him bust through the packs opening up the game for us. Great games Eli and Zac!

We were trying to ensure that every player has kicked a goal this season and it was Hayden Baker's chance in the second quarter after playing a great game in the first quarter in full back his determination to get a goal was awesome to watch. The boy's worked hard to get the ball down the ground and with a slick handball got the ball to Hayden who running at full pace busted through a couple of tacklers slotting the ball straight through the middle.

We had played two good quarters of football, but we wanted to make sure that we did not drop the pressure off. Both Mitchell Weaving and Jack Robins played key positions all game at Centre Half Back and Centre Half Forward. Mitchell played one of his best games, his defensive efforts were outstanding and when he moved forward was a great target up front. We had spoken during the week about him making sure that he takes the mark when he gets the chance and boy did he do that taking marks on every occasion. Jack Robins presented well, his leading has improved hugely and his attack on the footy enabled us to winning the ball time and again on the half forward line. Great game Mitch

Under 14 White

This round the boys had another road trip which was down to Brighton this week.

The boys had another tough game where the boys came together to give their opponents a good look at how well they play as a team.

They didn't give up for all 4 quarters they were unable again to get the goals on the scoreboard.

With only one on bench there wasn't much of a chance for anyone to get a rest especially in the centre but that battle all day on a wet oval.

But once again to these boys credit they showed Brighton if you ease off these boys will keep coming back at you. The backline boys had a busy day at the office and stood up to the task.

With so many lads putting in such a great effort all game it's not going to be easy to pick best players each week, but sadly the boys didn't come away with a win but they are getting closer by the week.

This coming week we will be at home for our first hit out against Woodville South at 1:10pm.

Special thanks to all the mums that came out to watch there kids on Mother's Day it meant a lot to the lads.

Apparel collection in the Tiss household was a roaring success!

Liam Duffield played his 150th game plus kicked his first goal right on the last seconds of the siren

The team won for Sunny Ross's mum and in memorium wore arm bands and he kicked his first goal.

Max Gluyas was rucking against a player that fills in for A grade and left him flat on his back 9 times out of ten. The height of the jumps were amazing.

We did have some injuries but the boys that stepped up left no gaps.

Final score 19 18 132 against our nemesis Athelstone 6 2 38.

U7 Blue Weekend Wrap

It was an early start for our KookaMummas with our U7 Blue superstars venturing down to Gepps Cross on Sunday morning. Captain for the day "Chuck" took the warmup for the group and the team seemed up and about and ready for action. Our KookaMummas joined the huddle for the pre-game pump up and the kids were told to do it for the mums and the extra inspiration seemed to work with our Mini Burras coming alive right from the very first bounce!

We had been working on our contested footy at training this week with the bump bags coming out and the kids encouraged to protect themselves, take a knock, protect the footy and repeat via a second and third effort with every contest if needed. We were pretty clean with the centre clearances and our Burras were lifting their eyes and looking for a target in our forward zone with Charlie getting his hands on the ball multiple times with 4 scoring shots for the quarter along with Noah bagging a sneaky point late in the term.

We turned up the heat in the second quarter with our midfield firing on all three cylinders and with our normally quietly mannered Jordie Williams playing like a man possessed, taking confidence with an early touch and then earning his own footy on multiple occasions. Likewise Jordie Guerra was playing with confidence and backing himself into the contested footy and found it in his hands a number of times with the icing on the cake of kicking 2 goals along with passing the ball off to his teammates who were out in the open. This intent was contagious because Izzy Politis who was also playing in the forward zone for the quarter went Beast Mode after being confronted by a couple of opposition players, pushed through to clear her a path towards the big sticks and nailed a goal for the quarter.

We spoke to the playing group during the half time address about the importance of both teams enjoying their footy and if needed we would pull some players out of the initial contest to (A) give a greater opportunity for the other team to get their hands on the ball and (B) to challenge our players to get back into the contest quickly and either recover a ground ball or apply some pressure to the opponent.

The third and fourth terms were a pretty tight tussle with both teams having the ball at either end of the ground multiple times with the mid-field transitioning the Size 1 Burley quickly but we did also see some great ball movement with the play being switched across the ground on multiple occasions to a free player. A great example of this was when Noah faced a wall of opposition players and with some quick thinking pushed back to create some kicking room and then spotted a teammate across the opposite side of the field and chipped the ball into space.

As always, the kids will continue to learn their craft, working on aspects during our training session that have been noted during the previous game as needing some development and most of all continue to enjoy their footy at GGFC.

Our KookaMummas joined the team for the post-match club song and whilst a couple may need some further practice to learn the words we had smiles all round and hopefully the mums had an enjoyable morning at the footy.

Scorers: Mason Moss 3.2, Charlie Muggleton 2.4, Jordan Guerra 2.0, Noah Hughes 1.2, Hugo May 1.1, Max Conaghan 1.0, Izzy Politis 1.0
