Smoking Management Policy

1. PURPOSE

This Policy outlines our procedures for tobacco and e-cigarette¹ use in Club venues and at Club games, special events, functions and other club-related activities. It represents our Club's commitment to its members, volunteers and visitors, acknowledging the role that sporting clubs and associations play in building strong and healthy communities.

This Policy will help to ensure our Club:

- Meets its duty of care in relation to the health and safety of our members, volunteers and visitors who attend club games, special events, functions and other activities.
- Upholds the reputation of our Club, our sponsors and partners.
- Understands the risks associated with tobacco use and our role in minimising this risk.

2. RATIONALE

Golden Grove Football Club ("Club") recognises that:

- Environmental (second-hand) tobacco smoke is a health hazard and that non-smokers should be protected from it.
- Role modelling can have a significant impact on the junior members of our Club.
- Smoke-free areas make smoking less visible and less acceptable, and contribute to reduced uptake of smoking among young people.
- Smoke-free areas support smokers who are trying to quit as well as reduce their overall cigarette consumption.
- Outdoor smoke-free areas help to reduce the amount of cigarette butt litter reducing clean-up costs, fire risk and children's health risk due to swallowing discarded butts.
- Smoke-free environments can help attract new members and positively promote our Club in the community.

3. GENERAL PRINCIPLES

Smoking restrictions for sporting clubs differ from state to state, and are strengthened regularly. Our Club will comply with all relevant state and local government smoking restrictions.

Our Club recognises the importance of educating club members, particularly players, of the benefits of implementing a smoking management policy and will provide information to assist this process. In addition, the Club will promote resources for members wishing to quit, including the national Quitline (13 78 48, quitnow.gov.au), where appropriate.

¹ The term 'e-cigarettes' includes Electronic Non-Nicotine Delivery Systems and Electronic Nicotine Delivery Systems.

Golden Grove Football Club

The following Policy shall apply to all Club members, volunteers and visitors:

- Smoking in this Policy includes the use of any form of e-cigarette device.
- Cigarettes, e-cigarettes and any other tobacco products will not be sold, including from vending machines, at any time at or by our Club.
- Many young people hold parents, teammates and coaches in high esteem and smoking around them sends the message that smoking is okay. Therefore, we expect that coaches, players, officials and volunteers will refrain from smoking while involved in an official capacity for the Club, on and off the field.
- To foster our Club's reputation as a healthy environment, no images of Club volunteers, members, officials, coaches and players smoking at Club-related activities will be placed on social media.
